IN MEMORIAM

Jane Myers
July 30, 1927 - January 13, 1990

Jane Myers was a tireless giver of her time, her energy, and herself to her students and colleagues. When the middle school enrolled its first blind student at the outset of School year 1979 - 1980 (in those days with out the assistance of an aide), Mrs. Myers became the student's home base and program coordinator. When there were doubts about the what to do to meet the student's needs, the answer was always, "Ask Jane." Mrs. Myers co-sponsored and served as a guide to make it possible for the student to participate in the school's 1981 week-long trip to London, England. Mrs. Myers assumed the same kinds of responsibilities for our first student confined to a wheelchair. Her room was always open. She arrived early and left late and spent every lunch with her lunch bunch, students who needed help or who just wanted to talk. She will be remembered always not only for her expertise and assistance, her academic challenges and successes, her contributions and honors, and her commitment and dedication, but for that wonderful, wonderful, happy, infectious laugh. It never failed to sustain her. It never failed to sustain us.
