The background of the entire page is a deep blue, textured fabric that is heavily wrinkled and draped, creating a sense of movement and depth. The lighting highlights the ridges and valleys of the folds, giving it a three-dimensional appearance.

Administration

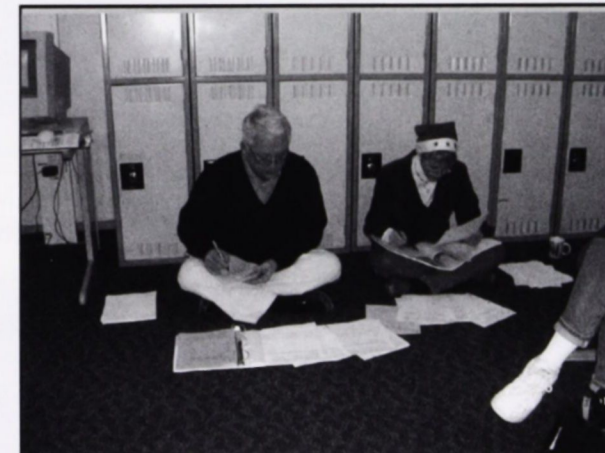

Principal, Dr. Pete Price

Asst. Principal,
Ms. Barbara Hickman

Above: "Mrs. Roberts, you want me to do what?" Once again Dr. Price shows that being an administrator at the best middle school in the world is really fun.

Left: "Ms. Hickman, do you think we can pass the AVID notebook test?" Dr. Price and Ms. Hickman show that all the paperwork sometimes literally gets them down.

Ms. Coury's Compensatory Education

Math Class

In CE Math, Ms. Coury's students discovered what FUN making money could be!

They baked, sold, collected and counted all day to hundreds of students!

Then they bought Christmas gifts for "Angel Tree Children" as well as bought Volleyball uniforms for our school team.

YAY, CE MATH!
