SCHOOL YEAR BRINGS WELCOMED CHANGES

Following a year of restrictions and cancellations, the students were pumped with the return of football and volleyball, the possibility of homecoming, and a longer, single, lunch break with off campus possibilities.

"Being able to play again was an amazing experience. We were all extremely excited to not only practice again, but to compete against other schools. As seniors, we were grateful for this season and this

opportunity," said volleyball senior Antonia Welch.

Perhaps the most popular change was an open campus and longer lunch period for all Warriors. This change was made possible by teamwork involving Student Council, the WHS Administration, and Military Command.

Senior Mathew Gros offered, "We are blessed to have an open campus lunch. We can socialize with friends, walk to and enjoy other lunch venues, and take a breather from our daily school activities and classes."

WARRIOR FOOTBALL

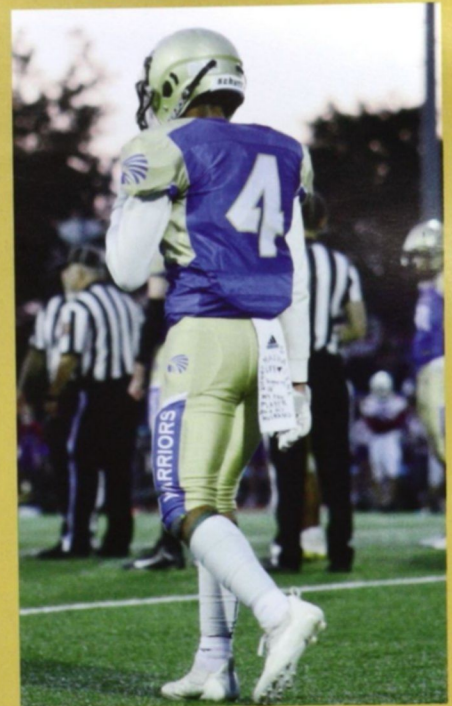

When the school year started, excitement was palpable as gridiron play returned to the Wiesbaden field. The season started with many new and inexperienced players, and the delayed debut of Wiesbaden's Varsity Head Coach Carla Nau-Redman, the first woman to hold this position at Wiesbaden High School.

Coach Redman worked diligently with her support

staff to build the best possible Warrior team to face a tough and abridged premiere season.

Her most memorable moment was during the first game when the Warriors were up over the Ramstein Royals before halftime, "a feat that was not possible in previous seasons."

"We may not have been the best team on the field, but we were the most dedicated," said sophomore John Dacus.

Senior Jaiden DeBose prepares to line up for a play.

Fall Play is Qui Nguyen's "She Kills Monsters"

"She Kills Monsters" tells the story of Agnes Evans who learns to cope with death by playing her sister Tilly's favorite game: Dungeons and Dragons. Throughout the play, Agnes learns to understand her sister better through the land of imagination that Tilly escaped to as a closeted Lesbian in her family. The play uses the visual symbolism of the game to show the audience the struggles of the LGBTQ community. In the Wiesbaden High School's production, that symbolism was brought to life not just through the actors, but also through the choreography they used; aided by dance and fight choreographers Jillian Dessing and Ashai Thibodeaux, the actors were able to succeed in pulling together a fantastical story full of epic fights in both sword and dance.

"In the past, I've always taken on leadership with choreography, helping others learn the dance moves and helping the designated choreographer come up with small combinations. This was not only my first play, but also my first time as the choreographer... Who knew that a tap dancer could come up with a dance for a dragon battle?" Dessing stated. With her history in combat, Thibodeaux was allowed to teach combat. "Though I never had taught stage combat, I was able to combine my experience in theater with my combat experience and effectively choreographed the fight scenes for the show" she supplied.

TENNIS

Warrior Tennis returned to the courts under the guidance of a new coach, Gregory Rainey. Veteran players and several new team members battled through the regular season and competed in the European Division I Championships.

Hope Goodwin won second place in singles play, and Nickolas Bier and Noah Winters took fourth place in doubles play. The team received the 3rd place trophy in the Division 1 European competition.

Sophomore Kate Dessing joined the team because her friends invited her to play. She found the practices were fun and the players supported one another. "By the end of the season, we were one big family," said Kate.

FASHION STATEMENTS

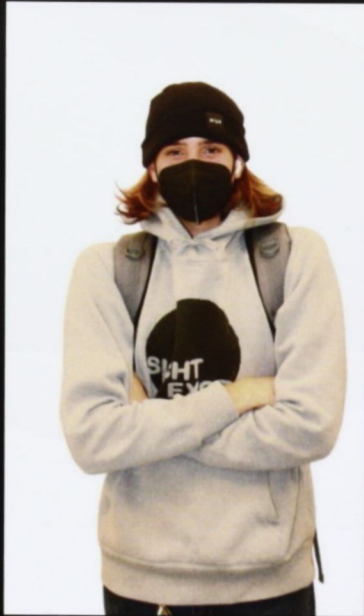

How would you describe your personal style ?

Throughout the entire pandemic with more time spent at home and on the Internet some students explored and developed their own personal styles.

Converse, Jordan's, Custom Sports shoes, and Crocs remain popular. Retro-wear, second hand items from your parent's closets, and finds at the

Thrift Store are integrated into the fashion scene. Mini skirts, crop tops,

high-waist jeans for girls, snapback caps, beanies and hoodies. Tattoos, piercings and beaded bracelets in a variety stones for mind and body wellness have made their way into view as well.

"Our style is based on how we feel and what we think looks good. We think our fashion is a mix of all kinds but we will most likely wear streetwear, y2k, and preppy."

Sophie Palmer, 11

"My style is definitely inspired by my mom. She wasn't allowed to wear what she wanted when she was younger and so she made it very known to me that I should wear whatever I want, no matter what other people think about it. I've been told before that my style is more hippyish, so that definitely influences what I wear. I also absolutely love colors and patterns, so my outfits tend to be very bright"

With the return of the Warrior Cross Country team this year, the team earned themselves another year on the banner as European Champions. The boys team secured a 3rd place win with Elijah Smith, Caleb Rothmeyer, Luke Jones, Alessandro Eiseman, Matthew Gros, Rhys Thayer, and Zachary Watts running. "Finishing 3rd individually and as a team was a huge accomplishment for being my first season of Cross Country, said Senior Elijah Smith. It

showed the dedication my team had."

The girls' team placed 1st with Kendall Kaloostian, Victoria Trevino, Kasey Jacobs, Diba Bhuiyan, Bryce Watts, Madeleine Strabala, and Jade Saunders running.

"It was a great way to end my last season of cross country! Leading the girls was very motivational. I knew they were right behind me and staying together would help us secure first place at championships," said first year Warrior and senior Diba Bhuiyan.

JV Cheer ran the flags down the track after scoring during a football game

FALL CHEER

When all fall sports were approved for the season, Warrior Cheer was excited to reintroduce much missed school spirit to the Wiesbaden student body.

"My favorite memory from fall cheer season was our first game, when Dacia, Elisabeth, and I ran the flags after the Football team scored a touchdown," says Paige Furnia, a senior at Wiesbaden High School. Jessica Hall, a varsity returner, says, "I'm so excited that 'Friday Night Lights' is back; it really makes Wiesbaden feel alive again."

The cheer team will go on to compete in the European cheerleading championships in the winter, where they are hoping to bring back the crown to Wiesbaden.

STUDENT COUNCIL

The Student Council successfully maneuvered through the waxing and waning of the pandemic to have an extremely successful year.

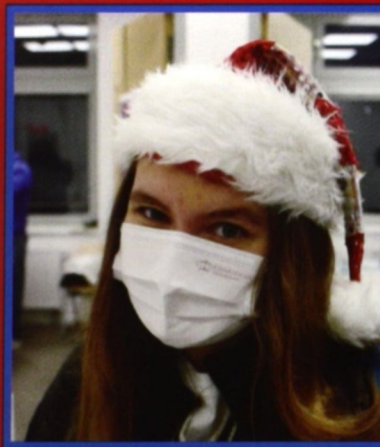

Probably the most popular policy change came in a longer lunch break with venues outside of school. The Council also sponsored frequent spirit weeks and pep rallies, a homecoming

parade, bonfire, and an immensely successful homecoming dance in the black box theatre.

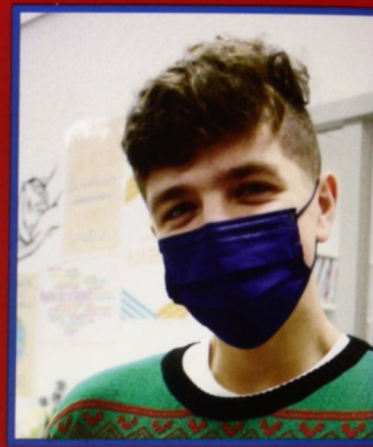

When asked what her favorite thing about Student Council was, Jillian Dessing responded "I think probably meeting new people and getting to have a say in the school because I think you grow closer to your community that way."

Seniors Samantha Puckett and Jillian Dessing MC the first indoor Pep Rally of the year. The ever creative Student Council actually hosted the year's first pep rally on the football field.

Varsity Golf Team Places Third in Europeans

GOLF

With a successful and friendly competition, the Varsity Golf Team placed third in the European Tournament. All six members qualified with Captain Darby Dermanoski taking 7th place.

For many members of the team, the golf meets were about more than scoring below par. Underclassman Tristan Kim said that after a year of pandemic lockdowns, he really enjoyed "hanging out with friends during practice." Kim also said being on the team helped with his sociability, "at first, I was more reserved, but learned to open up more as the season went on."

According to the other members of the team, Seniors Darby Dermanoski and John "Remy" Benson will be missed. "They are one of the many reasons why I liked golf. They helped us out and influenced us. They often took charge and served as an example for others," said sophomore Brian Grieve.

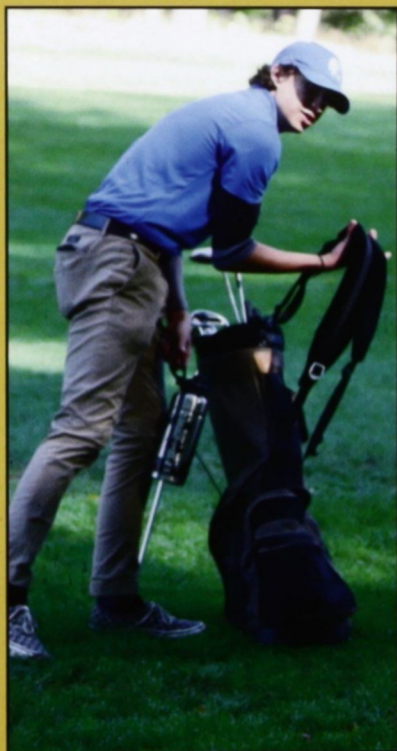

Coach Andrew Goldie and the team encourage students to give golf a try. Not only is golf fun, but it has a short season and it is a lifetime time sport for all ages.

National Honor Society

The National Honor Society is made up of students who exemplify scholarship, leadership, character, and service. As members, students are expected to maintain exemplary grades, be actively involved within the community, and contribute to community service projects.

This year, many members of the WHS Chapter of the NHS have volunteered to help teachers on Teacher Workdays, bake cookies for single soldiers and hospice patients, and help raise money for Senior scholarships through successful bake sales and commissary bagging. At WHS, all NHS members are also encouraged to take on individual service projects while also contributing to chapter-wide projects. Some examples of meaningful service projects that current members are working on include writing letters to seniors in nursing homes, tutoring students in need of assistance, working as volunteer coaches for the CYS, volunteering as teachers' assistants, and hosting

community book exchanges. Moreover, members often volunteer at the thrift store and library in their free time. When asked about how COVID has impacted this year's NHS club activities, President Ashley Lee has said, "Due to our current circumstances, it has definitely been a bit of a challenge for us to stay as active as we can within our community." She adds, "But this has not stopped us from doing what we can whenever we can. I can see how hard our members work both in and out of school, and I really appreciate the time and effort members put into serving the community and always being the best role models they can be."

At the end of the year, the Wiesbaden Chapter of the NHS hopes to reward its members for their sustained academic excellence and dedication to community service by giving out multiple scholarships. As Senior members get ready to graduate, the NHS gets ready to welcome new members and help them build important skills for future success and leadership.

VOLLEYBALL

Lady Warriors

With Covid robbing the 2020 season from the Lady Warriors, they came back with a drive to put another year on the volleyball banner. "The team was so excited for Euros this year, and it showed at the competition.", said Manager Sophie Palmer.

During the regular season, varsity had an excellent record of 7-3. During the European Championships, they stomped through pool play, seating them in the semi-finals, in which they quickly beat Ramstein. The Lady Warriors fought hard to secure the second place title in Division 1. "We fought really hard for our spot, and showed everyone that the Warriors came to compete", said Captain Alynna Palacios.

Senior Alynna Palacios was named both Division 1 All Tournament, as well as Tournament MVP.

Seeking To Foster Equality

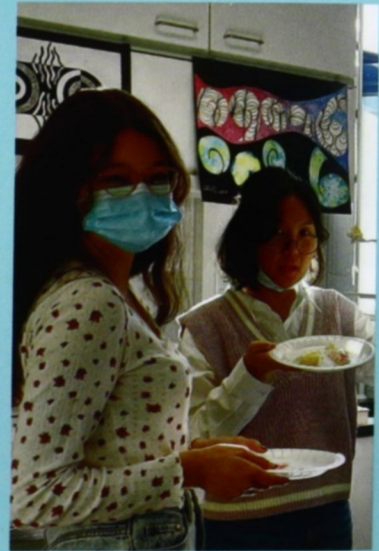

FEMALE EMPOWERMENT

The Wiesbaden Female Empowerment Club was started in the 2020/2021 school year. The club's focus is to help better the environment for students at WHS by further educating people on what it means to be a feminist. They are dedicated to spreading the message of equality and supporting women everywhere.

Meetings are used to work on projects or have informative open discussions. The club was started as a place for young feminists to meet and discuss current issues. Two of their most prominent projects

include a jewelry fundraiser which helped pay for baskets that provided menstrual products for female students, and a sticky note wall with encouraging messages in the women's restrooms.

One of the club members, Josh Kaiser, stated that he joined because a friend invited him. He then began coming to meetings consistently because he felt like the club was "working towards something important". Another member, Andren Ronquillo, mentioned that the environment is "chill and easy."

Zachary Watts - Human Rights Committee I

I feel like THIMUN is a great experience since you can collaborate with others—that was the coolest part. This particular THIMUN wasn't as good as previous ones, since it was online. However, I still wanted to try it out. If it is at the Hague next year, I will be excited to join once again.

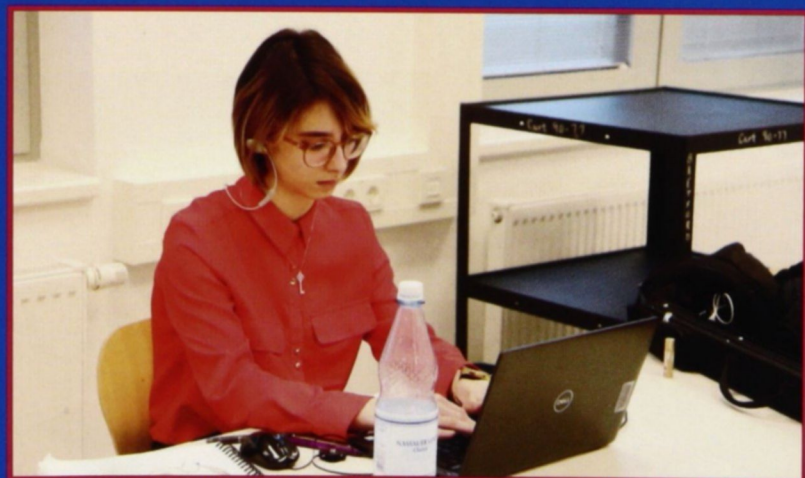

Caleb Rothmeyer - Political Committee I

THIMUN is a really good experience, I was able to interact with a lot of different people. Each time you meet so many different people it really is an eye-opening experience. You build confidence and build experience via trial by fire. If there's a good program, I plan to do it in college.

Terran Roberson - Economic Committee I

With Thimun, I was able to work with a group of team members to come up with a solution. It really made me more assertive when speaking to others, as well as team building and collaboration. I would have enjoyed going to the Hague or any other place, but I mainly wanted to be with others and the concept was a really cool thing to be a part of. I am quite eager to do this next year.

Ayla Sarmiento - Sustainable Development Committee I

I enjoyed the debating with other members as well as the way we were pushed into the different world views of our represented countries. Not only did we have to be representative of our country, we had to find neutral grounds and compromises in finding new solutions in order to make a majority satisfied.

Aisha Sangau - Sustainable Development Committee II

I really enjoyed lobbying and the different sort of people I got to interact with was the best part. I am looking forward to do it again next year, whether virtual or not as it opened up a lot of opportunities for me. I am really proud of my participation.

Carter Herrman - International Security Committee I

Despite being online, THIMUN was really fun. People found new ways to connect in breakout rooms and social media. I always want to work on resolutions regardless of whether or not THIMUN was virtual or in person, and already researched similar programs for my colleges; I'm excited to partake there too.

Eric Moser - Environment Committee I

I enjoyed THIMUN, but there were times when the protocol was far more formal than I first expected. The fact that THIMUN was virtual was what drew me in; being online allowed me to test the waters without paying as much, and I got to see what it is like.

Maya Roberson - Legal & Finance Committee I

THIMUN was still super fun despite it being online. I met a lot of cool people, who I hope to see next year in-person. Even if it is online again next year, I will join.

Bryce Watts - Economic Committee II

It was really cool to see all the people from different countries, as well as their individual cultures and THIMUN experiences. Even though the trip is what drew me in initially, being online and meeting the people is just as good. I had a lot of fun, and THIMUN is definitely a consideration next year for me.

Under normal circumstances the Cambodian delegation would join other delegations from around the world attend THIMUN in Den Hague in the Netherlands. For the second year, it was held online.

The Wiesbaden High School Music Department under the direction of Mr. Andrew Goldie offers a myriad of musical opportunities and experiences for students with a passion for music.

Warriors can select playing an instrument in band and seasonal pep bands, sing in the choir, learn and play a strings instruments, or join the jazz ensemble.

The pep bands fired us up during fall and winter sports, participated in the annual 9/11 Ceremony, and marched in the homecoming parade and bonfire. The music department also hosted two concerts. Aiming Down Sights

The Warrior Marksmanship Team used their accurate shooting abilities and rifles to pinpoint high-value targets. The team and the Junior ROTC Warrior Battalion hosted the DoDEA Euro Finals. Judah Zaragoza shot a 568 point score to get ninth place and a silver Civilian Marksmanship Program (CMP) pin. Each participant earned the Bronze CMP pin. The four seniors on the team are now competing for the greatly desired \$1,000 CMP Scholarship award.

Overall, the Warriors won a season record 3 matches and a record match score of 1,134 points. "Practice was the biggest thing throughout the season," said Senior Judah Zaragoza. "With marksmanship you can effectively rehearse the entire competition, down to the timing. This is essential as a practice technique in order to be as ready as possible."

DIVISION I Cheer Crown Returns Home

The pressure was on for the Varsity Winter Cheer Squad to earn back the title of Division I Cheerleading Champions. Each team had to submit a 2 minute and 30 second video of their routine prior to the competition. Then at the actual championships, the Warrior squad performed the routine in front of all of the other cheer teams at the tournament Showcase where the awards were given out.

At the conclusion of the performances, the squad formed a circle and held each others hands, heads bowed as the third place and second place Division

I cheer squad were announced. Excitement and joy filled the air as the Wiesbaden Warrior Varsity Cheer Team was named Division I Champions... AGAIN.

Coach Jamie Cook said, "Bringing the championship back home is so satisfying! This team gave their blood, sweat, and tears literally. The setback from the 2019 and 2020 seasons paved the way for an epic warrior come back. I could not be more proud of this team, they deserve this. #SPARK".

Jessica Hall and Elisabeth Daigle were named to the All Tournament Team.

WARRIORS HAVE COMPETITIVE SEASON

THIRD AT
EUROPEANS

The Wiesbaden Warriors ended the regular basketball season with a 6-5 record.

"I believe this season has been the most challenging of my career," said Coach David Brown. "The number of roadblocks and distractions was at an all-time high for me. I tried to keep things in perspective. Last year, we didn't have a season so no matter what difficulties we encountered, I was thankful," he continued.

Heading into the European Tournament held in Ramstein, the

Warriors lost a couple of close heart breaking games by one and two points which resulted in a 3rd Place finish against the Vilseck Falcons.

Captain, Kaleb McKenzie, was selected for DODEA Europe East/West All-Tournament Team alongside seven other competitors in the tournament.

"I'm glad I played this season. Built lots of bonds, created new memories, and got further in Euros than last basketball season, so it was good," stated Kaleb.

Lady Warriors

An Undefeated Season Earns Silver

Basketball

This year was the first year Women's Basketball has made it to the Championship Finals since 2014.

The season proved to be an exceptionally successful one for the Lady Warriors. Undefeated in the regular season, the team went into the European Championships strong and remained

undefeated until the third day of the tournament.

When asked about the season, Senior Isabel Davis said, "going into the tournament undefeated really made the season feel worth it, especially since we haven't had a basketball season in two years."

The Varsity team

fought hard but was eventually defeated in the Championship by arch rival Stuttgart.

Senior Captain Alynna Palacios, who was named First Team All-Tournament, remarked, "this season we proved that Wiesbaden basketball isn't to be underestimated. We earned our 2nd place title and really made a name for ourselves."

The musical opens with the ubiquitous sorority girls in mass at their sorority house.

Sorority sisters, Elle's client, and family celebrate Elle's graduation from Harvard Law School. Jillian Delsing, Ashai Thibodeaux, Margarita Freeny, Lindsay Molloy, Sienna Walker, along with Elle's family Abigail Marsters, Calvin Lex, and future husband, Cashel Lex.

The sorority girls celebrate with a cheer when Elle gets accepted into law school to chase her dream boy.

Elle has an internal conversation with her sisters about winning Warner (Kaden Ballard) back at Harvard Law School.

Elle's triumphant moment comes with proving the victim's wife, Brooke Wyndham (Ashai Thibodeaux), and gay European pool boy, Nikos (Elijah Castillo), innocent in the murder of Mr. Wyndham. The daughter, Chutney (Alison Tew), was proven guilty instead (right photo).

WHS Drama Presents the Winter Musical...

Legally Blonde

Based on the novel *Legally Blonde* by Amanda Brown and the *Legally Blonde* film, the Wiesbaden Drama's winter musical starred Samantha Puckett as Elle Woods, a sorority girl who is thought to be too "blonde" and ditzy to be her dream man's politician wife.

To get back at him she prepares and passes the LSAT and is accepted to and graduates from Harvard Law School. In so doing she finds that she has a knack for law and a will to help others, resulting in successfully defending Brooke Wyndham (Ashai Thibodeaux) who is accused as the murderer of her husband.

Following her success, Elle graduates from Harvard Law and gets engaged to Emmett

Forrest (Cashel Lex), her best friend/study partner at Harvard.

As a senior, a blond and experienced actor, the role of Elle was a fitting capstone to her high school career. Other seniors in the musical included, Ashai Thibodeaux, Jillian Dessing, Sera Freeman, Lillian Brookhart, Lila Faye Nicholson, and Margarita Freeny.

Kate Dessing, Ali Tew, Brandon Hughes, James Vega, Calvin Lex and Vinny the 9 year old English Bulldog and Bam Bam the 8 year old were newbies to a musical production.

James Vega, who was cast as Padamadan, said, "I came here on a whim and had a lot of fun throughout the musical. I am excited to be involved in more theatre productions."

Senior Samantha Puckett stars as Elle Woods, the "blonde and smart" sorority girl. She has been involved in community acting since she was eleven years old. "With the new people, I was able to learn a lot from them, my environment, and the situation as a whole," said Samantha.

Vivienne (Allyson Miranda) and Warner (Kaden Ballard), Elle's dream man, plot to get back at Elle.

Salon Owner Paulette Buonuponte (Margarita Freeny), and Elle receive a package from deliveryman, Kyle B. O'Boyle (Asher Dunton).

Elle Woods (Samantha Puckett) and Emmett Forrest (Cashel Lex) celebrate her win in the Wyndham murder trial.

The Wiesbaden High School Newspaper

For the newspaper, journalism goes through a multi-step process to insure quality articles. "First, as a class we brainstorm ideas for the monthly issue. Then, we look at edits in class and I provide feedback for everyone to improve their articles. Lastly, students and I complete the layout for the newspaper to come together," stated Alicia Hooks.

WAHOOS SMASH RECORDS

WITH MOST SUCCESSFUL SEASON

After an aborted swim season last year, the Wahoos were able to jump back into the pool to train and compete. Megan Coleman, three year veteran and one of the team captains, said, "my favorite part of swimming is the ability to see my friends. I enjoy having the opportunity to see them grow as swimmers and people."

A season off did not hinder the Wahoos. At the Long distance championships, Ayden Littlefield, Gabrielle Milan, Kendall Kaloostian, and Mason Koeth placed in the top six.

Kendall and Mason also went on to establish new Wahoo records.

At the Championships in Eindhoven, Netherlands, all the swimmers returned to Wiesbaden with new personal records. On top of that, fifteen of the Wahoos placed in the top ten and five swimmers placed in the top five in personal events.

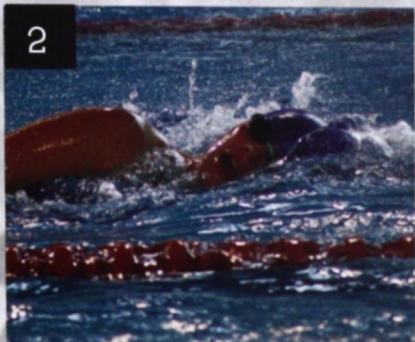

Mason Koeth received the High Point Award and set multiple new European records. Gabby Milan, Kendall Kaloostian, and Mason Koeth also set new Wahoo records.

One Team One Family 2021

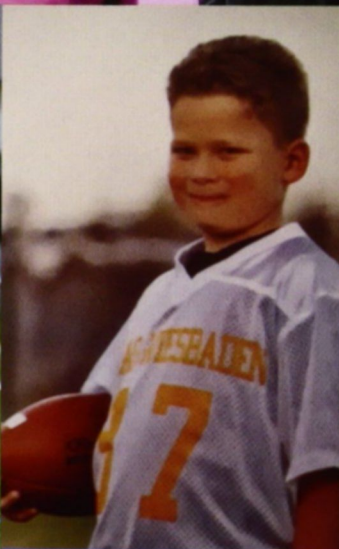

My Amazing Twinkies Here we are! This day has been 18 years in the making! 13 years of schoolwork, long hours of studying and accomplishing dreams! There are so many things we want to say! So many things I'm worried we didn't teach you, we didn't say to you and should have. We have to trust that all the time, energy, stress and tears for the past 18 years has prepared you both for your next step in life. We are going to be honest, we have been going through the motions for the past few months, trying hard to not even think about this day! We have tried and can't seem to put all of our emotions into words. Proud isn't a strong enough word to describe how we feel! And maybe that's why it's so emotional.

You two are our hearts walking around this world, exposed to everyone! We know you will go on to do amazing things in life. We know you are ready for this next step because we have prepared you for it. But while we were preparing you for life, we didn't prepare ourselves. We didn't think about having to send you out into the giant world, without us! We didn't think about how hard it was to walk away from you, let you be on your own. You've both worked hard to achieve your goals, and now, you're on your way to seek new vistas, dream new dreams, embrace life with passion, and keep reaching for your stars!!

Love you to the Death Star and back, Mom and Dad

Jourdan,

You are one of our greatest blessings from God. Watching you grow into the man that you are becoming has been so rewarding and we could not be more proud of who you are. Your entire life you have marched to the beat of your own drum. You are authentically you, not at all afraid to be an individual and stand firmly for what you believe in. God has so much in store for your future and we can't wait to see his purpose unfold. Your life has purpose and you are destined for great things.

Just yesterday you were our sweet little baby boy and now our baby boy is a graduate getting ready to head off to college....We thank God daily for giving us the gift of you. We are so proud of you and love you more than you could every possibly imagine.

Never let anyone change who you are, you are PERFECT!!!!

We love you and are overwhelmingly proud of you!

P.S. No one will ever love you more than your mama....NO ONE!!!!

 May you always know the truth
 And see the lights surrounding you
 May you always be courageous
 Stand upright and be strong

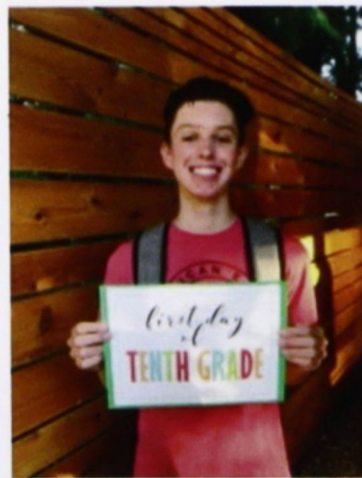

And may you stay
 Forever young

 Forever young

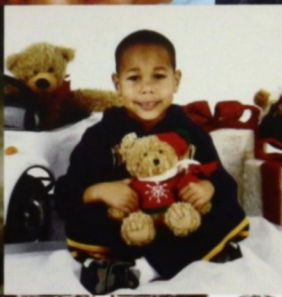

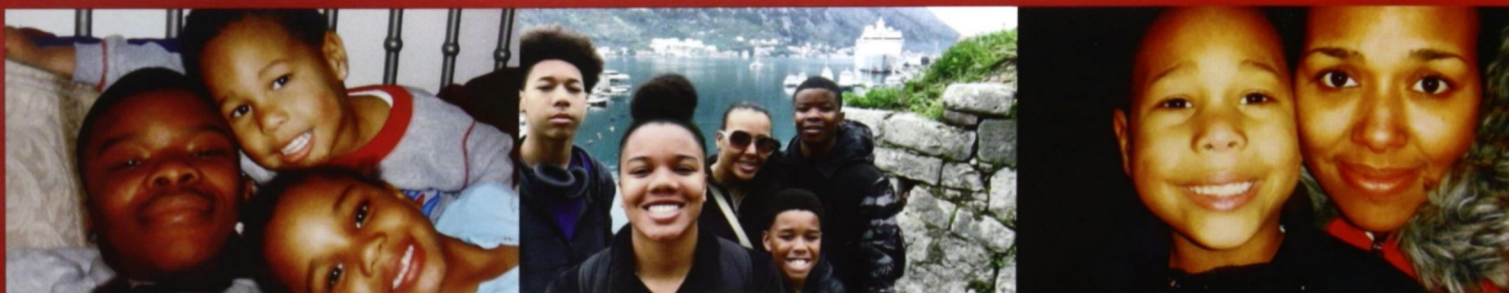

May your hands always be busy
 May your feet always be swift
 May you have a strong foundation
 When the winds of changes shift
 May your heart always be joyful
 May your song always be sung

And may you stay
 Forever young
 May you stay
 Forever young

Wiesbaden High School's Der Krieger 2022 was produced by two second year yearbook students, Editor in Chief Devante' Benson and Lead Editor Landon Escobar and ten new students who received on the job training including the Senior Editor, Maira Jones. The yearbook was expanded to 160 pages to allow for hoped for coverage of fall sports and and homecoming. The staff chose to continue the random placement of pages and spreads in the book since COVID was still in the air and could quickly bring events and sports to a halt and requiring a redesign of the book. We learned in December 2021 that our 2022 yearbook was named to a select list of national samples.

At our October meeting with cover artist Juan Valdez and representative Karen Burbach- Barker, the Editors decided on a gold, special order cover with a cut out W showing through to printed front end sheets. Soon after our meeting, we learned the material we wanted was discontinued and a replacement material would be difficult to find. Disappointed, Devante' searched for a solution. He became a color mixologist and created a gold that the staff liked and we opted for a finish to give it texture.

Der Krieger 2022 was completed by students in and outside of the yearbook class using Balfour's online program, StudioWorks. The Staff met the three of the four deadlines on time, and the most important final deadline on March 25, 2022. A little behind on the third, they met the final March 25, 2022 deadline somehow squeezing in the musical and spring sports! The staff strives to produce a good book, but realize that we make mistakes. Please be forgiving.

A special thanks to the fabulous and wonderful "Balfour Lady" Karen Burbach-Barker who inspired, encouraged, and guided us through the entire production process from the cover design to the finished publication. We would also like to thank Tracy Noren, who always has our publication's back in the plant. And let's not forget those people who shared and contributed photos with the staff. Thank you!

Lastly, and perhaps most importantly, we thank our students, parents and community for their continued support. The 2020 and 2021 yearbooks sold out, while the 2022 book has set sales records when compared to past years, and promises to be a sell-out too. Thank you for buying early and supporting The Warrior 2022.
