## Dedication

According to tradition we've always dedicated the Senior Magazine to someone who has done a lot for the Senior class or has accomplished a major feat! Usually we dedicate the Mag to the class itself, but this year (after much deliberation on my part) the dedication is a triple one. So, I hereby do dedicate the *der Krieger* 2001 Senior Magazine to our class sponsor Ms. Stockton, Austin Wolner, and the *best, the greatest, and the true* Class of the Millenium!

*Ms. Stockton, HOW DO YOU DO IT? On behalf of myself and all the seniors who attended the class meetings, participated in fundraisers, spirit week, etc. and the rest of the class, I would like to say thank you for all that you have done for us. We know, especially Nigel, Jai-Sun, Paul, Meredith, and Raneya, that it is not an easy task to sponsor a class as great as we are and still manage to keep your head on straight. Once again thank you for three years of hard work and determination.*

Austin, on behalf of myself, the staff of the Senior Mag, and the Senior class, I would like to express our happiness at having you back to finish the year and walk *the walk* with us.

Now for the graduating Class of ~~201~~!! **YES!** We've made it through four years of you know what and come out on top! What else can I say to the *best?! CONGRATS* and like we Jamaicans like to say... **BIG UP TO ALL DI MASSIVE AN CREW!** Translation...there is none!

# Seniors' Advice

Good luck on your service learning... bahahaha  
And get as much sleep as you can. Cherish it when given the chance.  
- Shaun Chandler

The advice I give the underclassmen is to not slack off towards the end of high school, especially senior year, it doesn't get you anywhere.  
- Kristen Premo

Work hard, but not too hard—slacking off now and then won't kill you. Enjoy mooching off your parents while you can. Play soccer, not softball!  
- Meredith LeFevre

DON'T STEP ON THE SENIOR CREST. WHEN YOU'RE A SENIOR, PROTECT IT. GET INVOLVED IN SPORTS, AND DATE AS MANY PRETTY GIRLS AS POSSIBLE. DON'T EAT AT THE ACS. DON'T PICK YOUR NOSE WHILE CROSSING THE STREET. IT CAUSES ACCIDENTS. HAVE A POSITIVE ATTITUDE. IT WILL GET YOU FAR. THAT'S NOT WATER ON THE FLOOR IN THE BATHROOM ON THE FRESHMAN HALLWAY. FOR THE LOVE OF EVERYTHING SACRED, ENJOY HIGH SCHOOL. IT GOES TOO FAST.  
- John Phelps

Take harder classes, they challenge your mind...plus they look good on college transcripts.  
- Dan Dwyer

Mind your own business, 'cause if you keep to yourself, life would be a whole lot easier!  
- David Broughton

I advise the underclassmen to not act so tough and like they rule the school just cause they're not in Junior High anymore. Just blend in until you hit your Junior year.  
- Gina Wise

Remember to say "Good morning" or "Good afternoon," to Mr. Sherrill or you will not be helped, he will ignore you. And if he tells you to try it again, just say it because you should have said it the first time!  
- Jasmin Rayford

Respect the teachers even if you don't like them because they give you the grades. Try new things even if your friends don't want to join you.  
- Irene Vivencio

DON'T LET ANYONE TELL YOU WHO YOU ARE. THERE'S ALWAYS GOING TO BE SOMEONE WHO WON'T LIKE YOU OR TRY TO BRING YOU DOWN BECAUSE YOU'RE RISING UP IN THIS WORLD, DON'T LET THEM BOTHER YOU! IT'S OKAY BEING AN UNDERCLASSMAN, IT'S ONE OF THE BEST YEARS IN HIGH SCHOOL!!  
- Ci-Ci Lewis

Never be a quitter, quitters are stupid. Try to reach out to new students...we all know how that feels. Be yourself...never try to be someone you're not!  
- Amy Dail
