MRS. AVERETT-A.M. KINDERGARTEN

For Thanksgiving the kindergarteners made Indian feather headdresses and vests. At Christmas they decorated cookies and dyed and decorated eggs for Easter. They also had a Bunny Ear Parade. Special cooking projects included butterfly sandwiches, turtle cookies and French toast with tea. We went on many field trips: the post office, the fire department and the zoo.

MRS. BEZUSHKO - GRADE 1

Mrs. Bezushko's class enjoyed learning many new things this year. This is what they had to say:
 "This year we did many special activities: 100th Day of School; Math Their Way; geoboards; lady-bug books; booktalks; Weekly Readers; computers and Teddy Bear Jar parties."

MRS. HIRAMOTO - GRADE 1

Mrs. Hiramoto's first graders had many things to say about what they enjoyed learning and doing this year. "I liked.....learning about money and clocks in math; learning to count by 2's, 5's and 10's and celebrating the 100th day of school; working at the computer; listening to good books and making ladybug books; learning to read; swishing flouride on my teeth to prevent cavities; writing books and stories and being videotaped for our book talks."

MRS. HICKS

GRADE 2

Our class had an "All About Me" bulletin board which featured one student for a two-week period. We presented a play to the kindergarten class called "The Bremen Town Musicians." We saw "Snow White and Rose Red" at the Festhaus in December. In February we had a class "Spelling Bee."

MS. NISSEL

GRADE 2

This year our class did many special things. We wrote letters to our new President. We also wrote "All About Me" booklets and participated in the DARE program. We had Book Talks and did journal writing. We enjoyed making Leprechauns, Reindeers, and animals stuffed with newspapers.

MRS. SAYER GRADE 3

We learned about Native American Indian tribes in Social Studies. In computer lab, we learned some basic programs, "keyboarding" skills and how to write reports with a word processing program. We went on an ice skating trip and had lots of fun! Best of all we learned many new things every day and tried really hard to live up to the expectations that we decided upon at the beginning of the year.

MS. WILD GRADE 3

Ms. Wild's class learned a lot of facts about many interesting animals. For example, the Emperor penguins of the Arctic holds their eggs and babies on their feet. They can swim 15 miles per hour. Our class made our own penguins and dressed them in colorful costumes.

MS. BAIRD GRADE 4

We had a wonderful and exciting year! If our homework was completed and if we did our very best and listened to instructions, we had an "Activity Day" on Fridays. We had a sleepover, a pizza party, cooking lessons, field trips and so much more! We also went bowling and swimming.

NANCY BIRCHELL-HUGHES GRADE 4

We enjoyed five weeks of learning how to swim at the Worms Schwimmbad. We also went to the planetarium while we were studying the solar system. Mrs. Kell has taught us how to do origami and Mr. Ragland helped us learn some country line dancing. We've had a busy year and have learned a lot. We have become good researchers with Mr. O'Brien's help and have produced first-class reports on the solar system and also on individually selected states. Our written stories got better and better and we are quite proud of all we've accomplished.

MR. GRIFFITH GRADE 5

Our class went to the Worms City Museum to learn about the Stone Age. We also went to the museum in Darmstadt to study animal life for science. To experience some of our Host Nation's culture we went to the Mannheim Christmas Market.

MISS BAGWELL

We learned many new skills this year as well as becoming better at our old skills. We read a lot of interesting books and learned a lot of new words! We became great keyboardists and researchers! The reports we produced were great! In science, we studied about animals, matter, fingerprinting, and much more. In our electric unit, we learned the true meaning of "hot wire". Our field trips ranged from interesting (museums) to fun (Christmas Market).

MRS. GRIFFITH

This year the sixth graders worked on research papers and participated in the DARE program and Math Olympiad. They also had computer lab once a week. Field trips included trips to the Worms Museum to study the Middle Ages and also to Saalburg to visit and study a reconstructed Roman fortress.
