WUERZBURG MIDDLE SCHOOL

Donna Korch

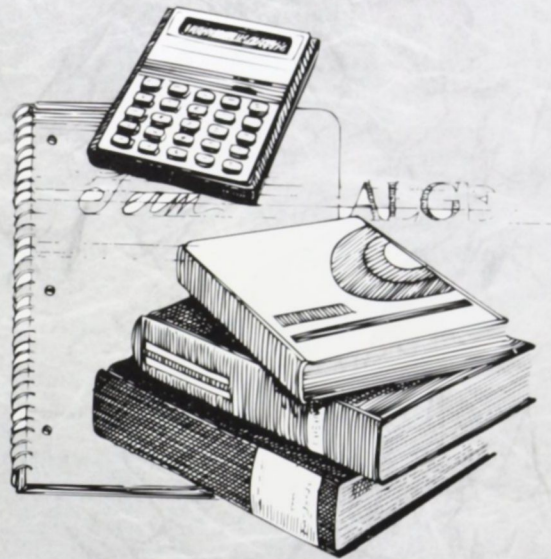

1998 - 1999
Wuerzburg Middle School

Knights

Administrators

Mr. Robert Sennett came to Wuerzburg Middle School from Hanau Middle School where he was the principal for 10 years. Prior to that, he was at the Berlin American High School where he was the Assistant Principal for 2 years and was the Education Program Manager from 1984 to 1986 and a Science teacher from 1973 to 1984. Besides the 25 years that he spent in Education here in Germany, he also taught in Japan for 2 years at the high school level and 2 other schools. Mr. Sennett has worked in the Education Field for nearly 32 years and his expertise has been an asset to our school. Mr. Sennett holds 3 degrees from various colleges in the States. He has a Bachelor of Arts degree in Science Education, a Masters in Chemistry Education and a Masters in Biochemistry.

Mr. Sennett was accompanied to Wuerzburg by his wife Kathleen and one of his daughters, Kara. He has two other daughters that are attending college in the States. When he does have free time, Mr. Sennett enjoys spending it on cross country skiing; ocean kayaking; woodcarving; gardening; and reading. His wish for WAMS students is that they would come to school motivated to learn and to take pride in being prepared for a good day in all classes.

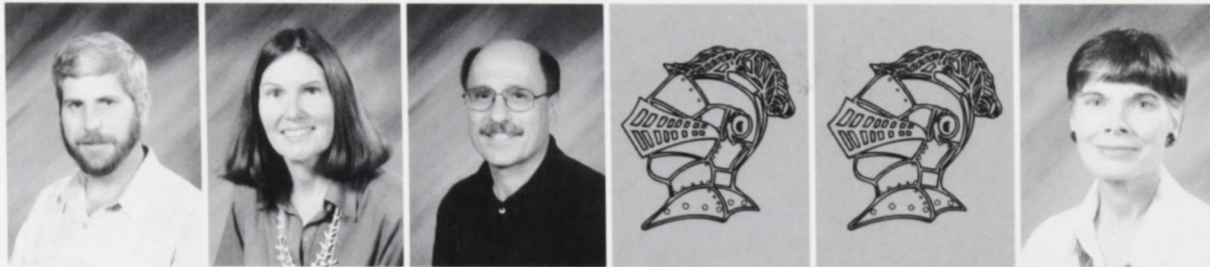

Ms. Denise Leach came to Wuerzburg from Naples, Italy in 1997. She is from Texas and received her Masters degree from the University of Texas. She has been in the education field for 16 years and has taught in Houston, Panama, Italy, and Germany. Ms. Leach enjoys working with students although at times, she is required to be the "bad cop". Her hopes for WAMS students are that they enjoy being life-long learners and will realize that a good education will open doors for them in the future.

Support Staff

At left: Christina Miggenrieoler, Kurt Miggenrieoler, and Moni Thureau part of the custodial staff. Christina is the head custodian and has done an excellent job making sure our school is always looking great. She does this with the help of the rest of the staff.

At right: Nancy Bedoya, Bernadita Merkle, Melanie Geissner and Klaudia Spieler are part of the afternoon custodial staff and greet everyone with a cheerful attitude and smile. They make up a great team keeping the school beautiful.

At left: Heinz Thureau and Elke Vorndran are also part of the afternoon custodial staff. They are always leaving our rooms spotless for the next day.

At right: Bernadita Merkle, Franz Hebig, Lori Williams, Jo-Ann Sherrill and Cassandra Epting are our AAFES staff serving up great lunches for our students.

Yearbook

With a lot of help and enthusiasum, this years book was a joy to put together. All grade levels represented their classes and showed what they were made of.

Mrs. Skirvin getting the computers ready for work.

Melaney, Erin and Kelsey discussing what to put on the 7th grade pages.

Ontaya, Brian and Danise mulling over what to do for the 5th grade pages.

Leah, Vickie and Reina going over pictures for the special eight grade section.

Julie and Collis going through the class pictures and putting them in alphabetical order.

Staff

Our staff this year is very large with each class represented well. The sponsors for yearbook are Mr. Voce, Mrs. Skirvin, Ms. Marsteller and Mr. Fox. The editors are Erin Sullivan, Julie Renton, Leah Buckley, Sarah Fausett, Melissa Gehrlein, and Jeanne Donlin. Class workers are for 5th grade Brian, Jenna, Ontaya, Shanice, Danise and Shaevon; 6th grade Sherlissa, Brittney, Shakeya, Amanda and Angel; 7th grade Melaney, Kelsey, Tamiya, Laurie, Tara, Haylee Christie; and 8th grade Vicky, Reina, Nicole, Sarah B., Kara and Collis.

Mr. Voce and others hard at work setting up pages to be worked on.

Vickie, Nicole and Reina working on the 8th grade special pages.

Julie and Leah coming up with the ideas for the 8th grade special pages.

Melissa and Sarah working on the class and electives pages.

Knights News

The newspaper staff this year is very inexperienced. It is comprised of mainly fifth and sixth grade students with a couple of seventh and eighth graders. The editors of this year's newspaper are Christin Jones and Stephanie Spencer.

The reporters are Justin McGlown, Andrea Sherrill, Robert Goodrich, Nathan Garvin, Katie MacEwen, Amanda Adams, Diana Humphreys, Mathew Keys-Jones, Carrie Powell, Brandon Leon, Melissa Juchniewicz, and Paul Garvin. The newspaper's sponsor is Mr. Voce and newspaper advisor Terry Brietske.

Student Council

The Student council has been working hard all year long for the student body.

Mr. Kowalski has been working with both Student Councils. The 7th and 8th grade Student Council has Ebonie Leonard as President, Donte Woods as Vice President, Lakeysha Taylor as Secretary, and Shemika Wells as Treasurer. The

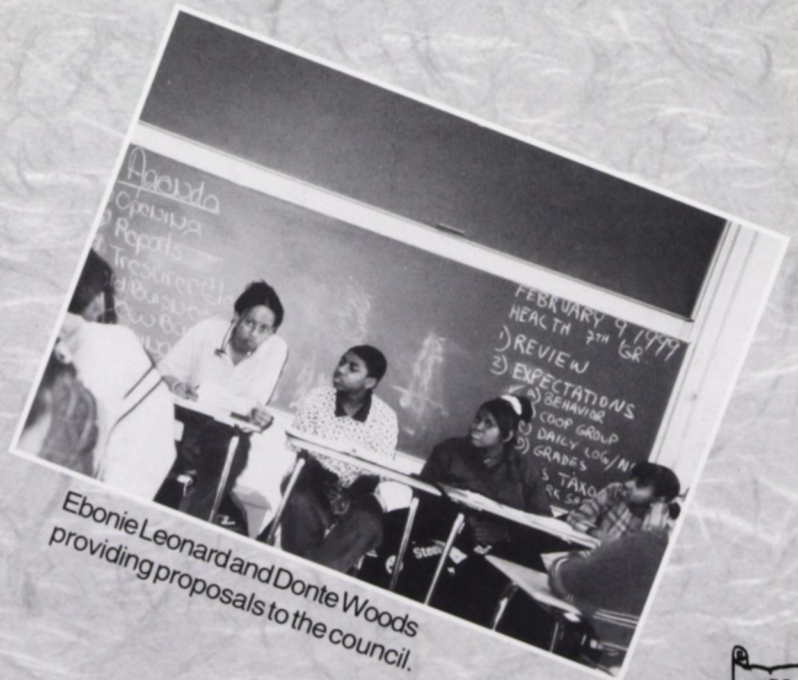

5th and 6th grade Student Council has Brittany Pace as President, Brian Gehrlein and Lanisha Bodley as Vice President, Breonna Pace as Secretary, and Shemika Alexander as Treasurer. They sold Candy Grams, collected blankets for the animal shelter, sponsored different dances, fed the whole school, and contributed money to different organizations. The 5th and 6th grade Student Council has Brittany Pace as President, Brian Gehrlein and Lanisha Bodley as Vice Presidents, Breonna Pace as Secretary, and Shemika Alexander as Treasurer. They helped with the animal shelter also.

Mr. Kowalski, isn't he stressed?

The entire student council posing with Mr. Kowalski.

Ebonie Leonard and Donte Woods providing proposals to the council.

CLASSES

Avid

AVID is a voluntary intervention program that is supported by the Department of Defense Dependent Schools as a college preparatory program for students in the middle with academic potential. It provides the skills, structure, tutorial, support, and encouragement necessary for raised expectations "on the path" toward college admission. The AVID teacher-coordinator is Ms. Meryl Lynn Nelson.

Dedications

To Some of Our

Favorite People

Ms. Marsteller,

Mr. & Mrs. Keith,

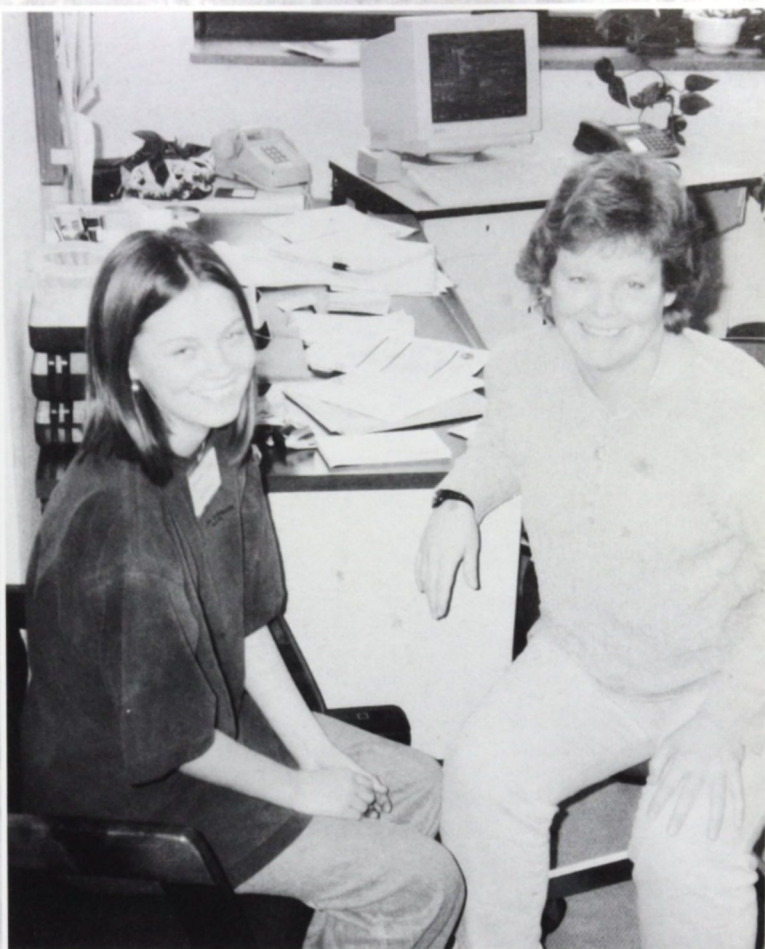

Mrs. Elms,

and

Mrs. Daugherty

KIND... CARING... HELPFUL... SYMPATHETIC... COOL
HAPPY... GREAT SENSE OF HUMOR...All in all a wonderful
person! Ms.Terry Marsteller began her career with DODDS in
1986 at Kitzingen Elementary/ Junior High School where she
worked with junior high students. She was part of the staff that
opened Wuerzburg American Middle School in August,1990.
Ms. Marsteller believed that WA.M.S. students deserved the
best that a middle school could offer and so she put her en-
ergy into creating and implementing support programs within
the school that enriched students' educational experiences.
She was always ready to listen to students and help them
find solutions to their problems. Students will miss her and her
pleasant attitude. We wish her success in her new job.

Mr. Dan Keith has been at Wuerzburg Middle School since it opened in August of 1990. Mr. Keith started out as a sixth grade science teacher until December of 1994. He moved out of the classroom to become the DoDEA worldwide STS (Science and Technology Series) Coordinator. STS is a high school science curriculum and he led the effort to adapt it to the middle school science curriculum. Then in January of 1996, Mr. Keith was the Wuerzburg District Science Coordinator. In August of 1998 he returned to the classroom and is now teaching sixth grade science, electronics and eighth grade STS. He is returning to the states to pursue a Doctoral Degree in Science Education. Mr. Dan Keith has been an active, supportive member of the staff at Wuerzburg Middle School. He has done a lot to advance science education at the school and throughout DoDEA. Although he will be missed, it seems only natural that he continues and gets his doctoral degree so he will have a greater opportunity to influence science education throughout the U.S..

Ms. Jennifer Keith has been a teacher at Weurzburg Middle School since it opened in August of 1990. Since that time she has been a sixth grade and eighth grade social studies teacher. She has been a team leader for many of the years that she has been at the Middle School. She has been the Odessey of the Mind Coordinator for the past three years and has been the Geography Bee Coordinator since the school opened. With her husband, Dan, Ms. Keith has organized the yearly Rottendorf Volksmarch for the Middle School students. Ms. Keith is the mother of two boys, Mathew and Andrew. Ms. Keith's roots are from Germany, and from childhood has been fluent in the German Language. Her language skills have helped many at WAMS. Ms. Keith is returning to the states with her family, where she will support her husband while he pursues his doctoral degree. Ms Keith is a caring person who has given the students and the staff at WAMS a haelthy measure of love and support. The school has been fortunate to have her on its staff.

Carol Elms is certainly missed by faculty and students. She began teaching Math at Wuerzburg Middle School in 1992 and reitred in February of this year. Before leaving she talked about how much she would miss the teachers and the pleasure of teaching sixth graders. With fond memories we recall that she was "always ready with a smile" and was "such an even-handed and fair teacher." Although she misses Germany, the wonderful little villages, the bike paths, the safety of taking a walk at night, and the travel, she is enjoying her retirement, her parents and sister, and planning her new house. Correspondence indicates that she will be building in a small town with fewer than 5,000 residents, yet it boasts of over 100 places on the historical register! Future plans also include skiing in the U.S., taking classes, traveling and even returning to visit Europe. We hope her travels will include a trip to Germany and the school that loved Mrs. Elms!

Mrs. Helen Daugherty spent much of her educational career in DODDS schools both in Heilbrunn and Wuerzburg Germany. Mrs. Daugherty was a beloved teacher of reading and English for the sixth and seventh grades at Wuerzburg Middle School until her retirement in November 1998 due to the passing of her husband, Thomas. Staff and students miss Mrs. Daugherty dearly. She was always ready with a laugh and a new idea. She was very effective in encouraging and getting well developed writings from her students especially in poetry. Upon retiring Mrs. Daugherty moved back to New Jersey, where she looks forward to spending time with her grandchild, reading lots of books and volunteering in her community. Thanks Mrs. Helen Daugherty for enriching our lives!
