National Junior Honor Society (NJHS)

NJHS -- It's not easy to join -- and not all fun and games

By Jordan Kemplin

National Junior Honor Society (NJHS) is a club in which, to join, you must have a 3.5 GPA. You also must have a teacher recommend you and write an essay to be accepted. Not everyone is accepted, so it is very difficult to become a member. We have a President, a Vice President, Secre-

tary, Parliamentarian, Historian, and Treasurer. We are undoubtedly the most organized club at WAMS. In NJHS, it's not all fun and games. We do a lot of volunteer work and a lot of service projects. It really is a benefit to be in NJHS, so I recommend trying to join. Take it from a former parliamentarian, it's worth it! Try your hardest!
