Dear Students,

This Middle School Adventure was great! It has come to an end for some of us, for others it has just begun. One thing is true for all of us. This year will always and forever be, a year worth remembering.

The staff tried to capture all the fun happenings, joyous events, and precious memories to put into this book. Unfortunately, we couldn't get all of them. We did try. Enclosed in these pages are the memories we could and were allowed to get.

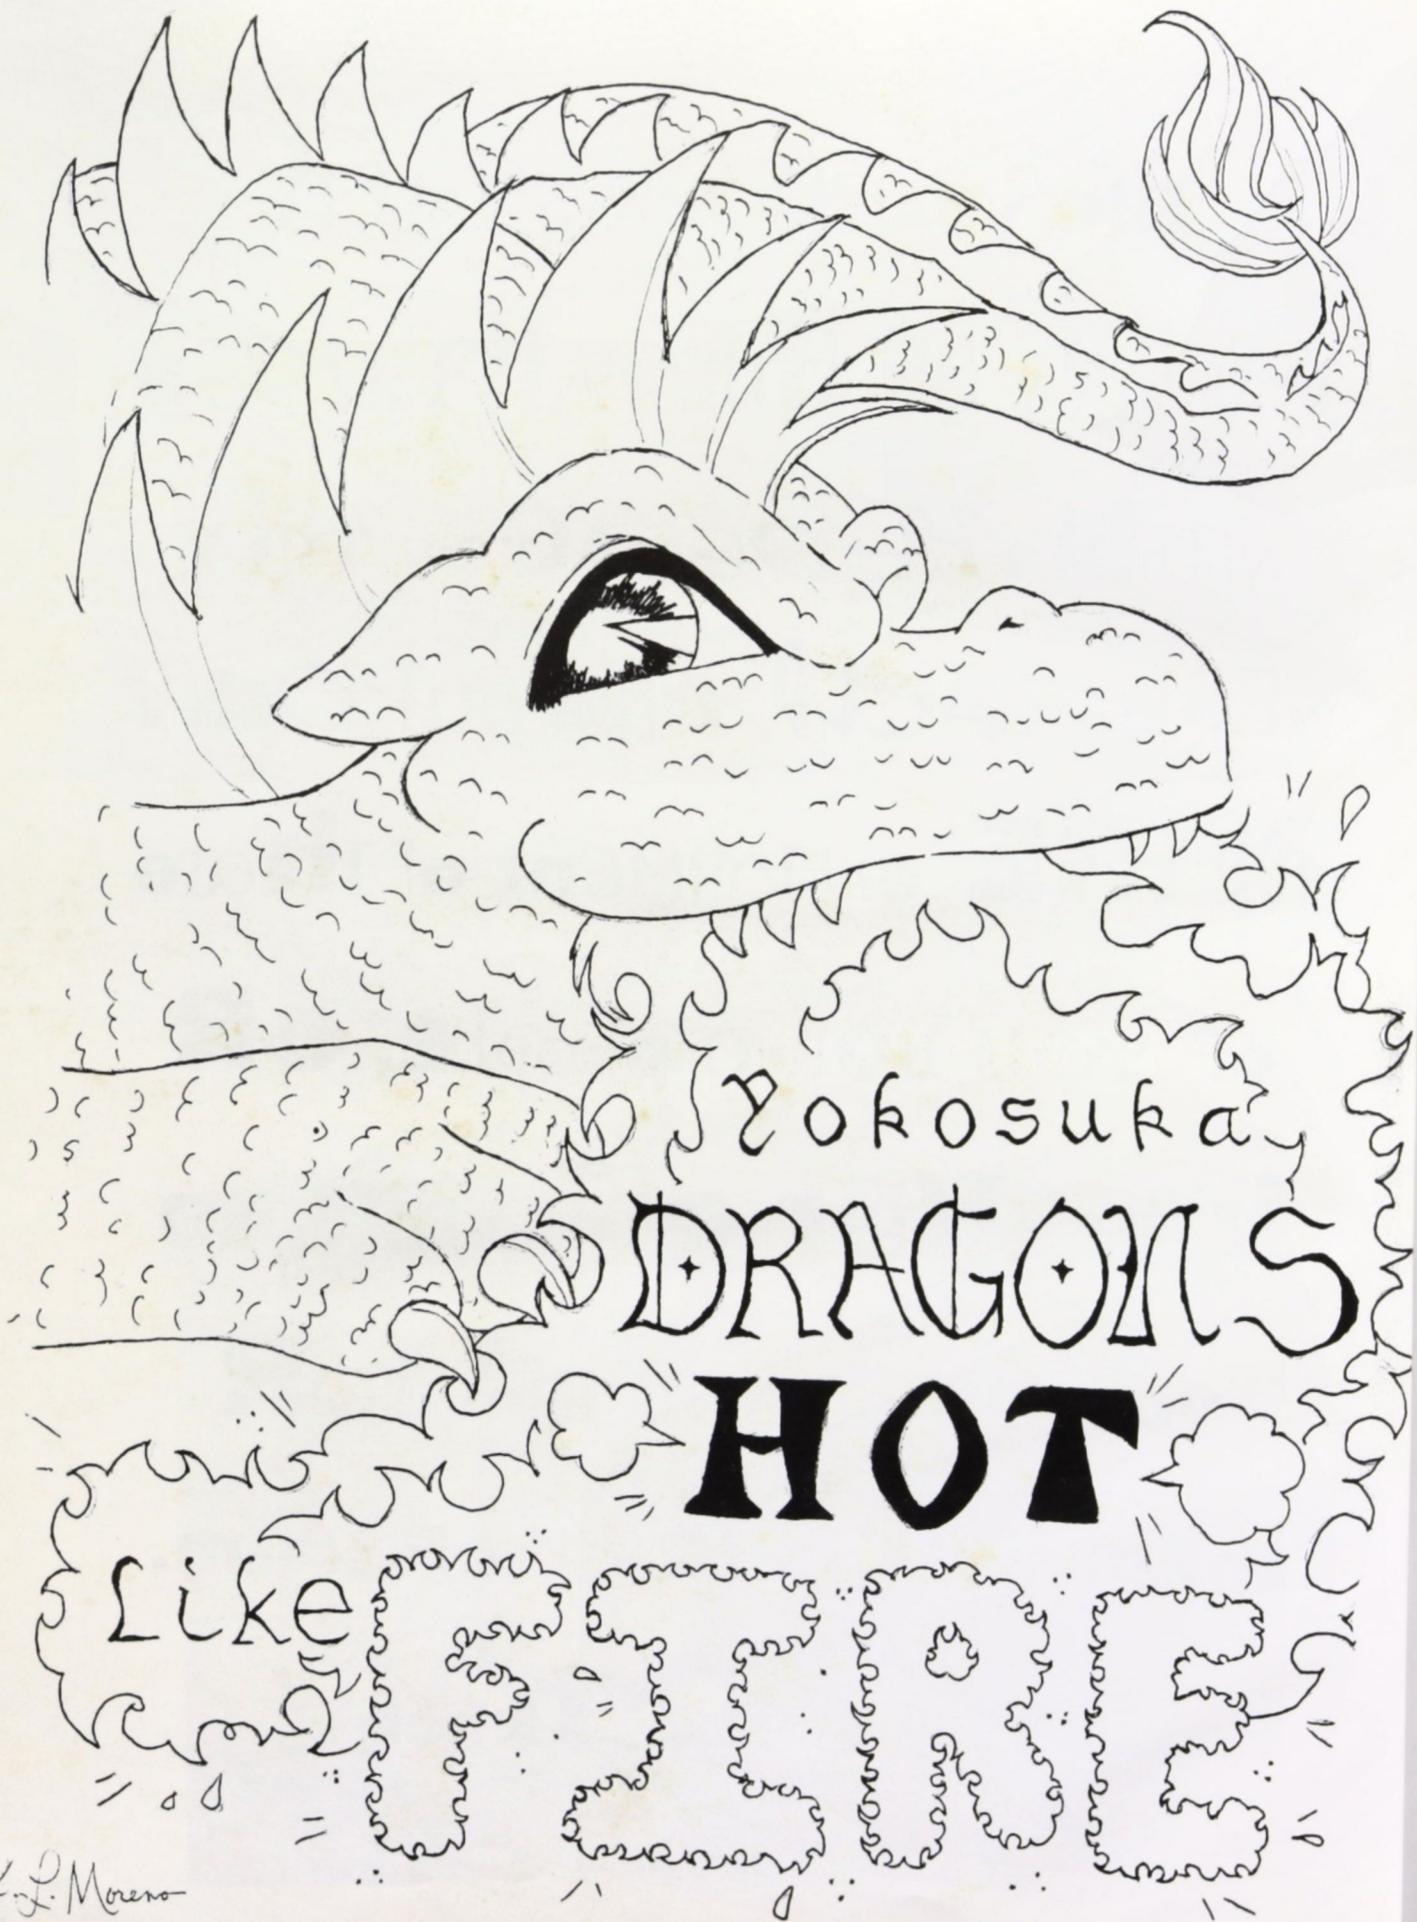

Thank you for making this year the year it was!
