## What Is A Middle Schooler?

What is a middle schooler?  
I was asked one day.  
I knew what he was  
But what should I say?

He is noise and confusion  
He is silence that runs deep  
He is sunshine and laughter  
Or a cloud that will weep.

He is swift as an arrow  
He is a waster of time  
He wants to be rich  
But cannot save a dime.

He is rude and nasty  
He is polite as can be  
He wants parental guidance  
But fights to be free.

He is aggressive and bossy  
He is timid and shy  
He knows all the answers  
But still will ask why.

He is awkward and clumsy  
He is graceful and poised  
He is ever changing  
But do not be annoyed.

What is a middle schooler?  
I was asked one day.  
He is the future unfolding  
So do not stand in his way.

(Written by an eighth grade student.)
