A message from the desk of the principal...

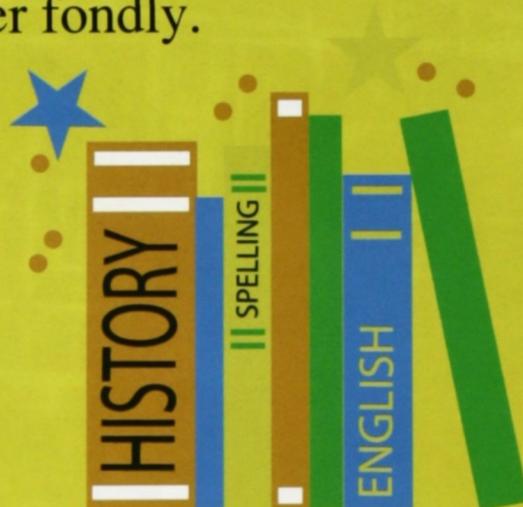

Greetings! We are so pleased that you are taking a look at the fine students, talented staff, and wonderful activities that Yokosuka Middle School has to offer. We are proud of our school – our Dragon spirit is evident throughout our beautiful facility. Many thanks to the students and their sponsor, Ms. Espree, for their hard work in creating such a terrific yearbook. Enjoy your experience as you relive SY 2007-2008!

A message from the desk of the Assistant Principal....

Yokosuka Middle School, Home of the Dragons, a school where the staff is “On Fire for Students!” I hope this yearbook captures moments of SY 2007- 2008 that you remember fondly.

The background of the page features a series of thin, light gray lines that radiate from a central point at the top, creating a sunburst or tunnel effect that draws the eye towards the center. The lines are evenly spaced and extend to the edges of the page.
