

The Sullivans School
2008-2009

The Sullivans School

Yokosuka, Japan

2008-2009

Sullivan's School Mission Statement:

The Sullivan's School Community works together to develop successful learners and responsible citizens.

Sullivan's School Vision Statement:

Faculty, student, parents and the volunteers in the Yokosuka military complex share the responsibility to help:

- fulfill each child's individual academic potential
 - develop problem solvers
 - build positive character traits
- in all children at The Sullivan's School.

Goal 1:

All students will improve their algebraic thinking skills across the curriculum using essential questions.

Goal 2:

All students will improve their inquiry skills across the curriculum using graphic organizers.
