### MESSAGE FROM THE YEARBOOK STAFF

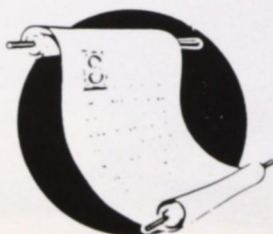

As June closes the activities of the school year, the excitement will quickly turn into memories. Through the efforts of your parents and teachers, you have gained more experience and knowledge to face our rapidly changing world. The yearbook staff hopes that this yearbook will serve as a reminder of the opportunities that were available to you at Zweibrucken Elementary School this year.

May you be showered with happiness and success.

### FROM THE DESK OF THE PRINCIPAL

It is an honor to be able to write a message for the yearbook for Zweibrucken Elementary School. During the 1984-85 school year, many exciting events have occurred by and for the students of our school. Teachers and other staff members have worked diligently to provide a variety of educational opportunities for you. As you look through the pages of this yearbook, it is hoped that fond memories of happy events are sparked in your memory.

Dr. Margaret Armstrong

To laugh... to  
win  
respect... to  
appreciate  
beauty... to  
find the best  
in others... to  
know even one  
life has  
breathed  
easier because  
you have  
lived... this  
is to have  
succeeded.

But as you know  
It takes much more,  
To prepare each child  
For what's in store.  
We make our plans  
With teaching skills and concepts in mind,  
But did you also include  
Today I will be understanding and kind?  
We all have classroom problems  
That we try to solve ourselves,  
But we must remember  
The answer is not in books on shelves.  
We're here to teach children  
So keep that in mind,  
Besides teaching skills and concepts  
Be understanding and kind.
