DR. MARGARET ARMSTRONG
PRINCIPAL

"To laugh often and much; to win the affection of honest critics and endure the betrayal of false friends; to leave the world a bit better whether by a healthy child, a garden patch, or a redeemed social condition; to know even one life has breathed easier because you have lived... this is to have succeeded."

Ralph Waldo Emerson

MR. ROBERT RICHARDS
ASST. PRINCIPAL

"We are all here for a spell, get all the good laughs you can."

ART

"Art is to present vision first, not expression first. Vision is an art to reveal our insight - inner sight, our seeing the world and life."

Thus art is not an object but an experience, to be able to perceive it we need to be receptive. Therefore art is there where art seizes us."
Josef Albers
