caring for our community

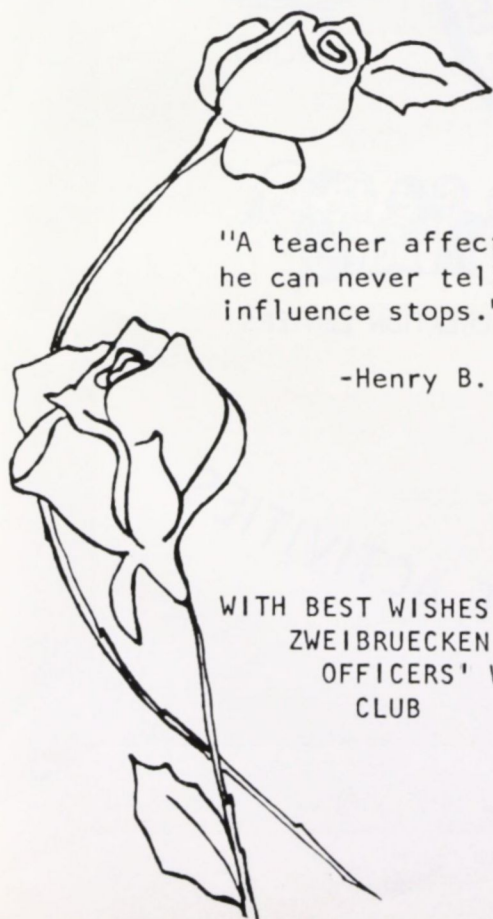

I want to thank some very special people for their help in putting this yearbook together: Judy Stults for her guidance, support and help whenever it was needed (almost every day!); Lisa Harper for her continued help and support throughout the year; Kathy Sanford for her help in pasting up; Linda Maddux for the use of her room; everyone who took or donated pictures; the yearbook staff for selling ads at school and pasting up pictures; and, an extra special thanks to Mr. Haymon for everything he did to help! I hope you have fun "remembering" the year.

A big thank you to everyone.
