Ms. Helen Sheng
Asst. Principal

A WOMAN OF TRUTH, TRUST, AND COURAGE

She smiles, she cares,
She suggests, she dares,
She stimulates, she calculates,
She has a mind that radiates.
She's all ears when children ache —
Strength and determination
help with that trait.
Through thick and thin,
and trust within,
Ms. Sheng is a woman
determined to win.
We may not know
from whence it all comes —
Ms. Sheng is the chosen one
of how it's all done.
We may not possess
some of the characteristics she imbeds
but it sure would be nice and peaceful
to have such a head.
She's a FIGHTER and
a SURVIVOR!!!!
We love you, Ms. Sheng. May God bless
and keep you safe.

1991-92 YEARBOOK
DEDICATED TO
MS. HELEN SHENG

HELEN SHENG

A TEACHER OF LOVE POWER AND KNOWLEDGE

Ms. Helen Sheng came to Germany in 1966 from San Diego, California. She arrived at Mark Twain Village in Heidelberg as a fourth grade teacher. In 1972, she was assigned to Fulda Junior High School as a counselor. A few years later, she transferred to Mainz Elementary to serve as school Counselor. She remained on the faculty at Mainz for six years. In 1982, Ms. Sheng wanted to move to a different area in Germany. She came to Kreuzberg Elementary in Zweibruecken as Assistant Principal. Being an Assistant Principal is a challenging job that she thoroughly enjoys.

Helen Sheng loves books, and has excellent writing skills. She spends quiet time listening to classical music. She loves working with people. Ms. Sheng wants parents, teachers, and students to know that she will always take the time to assist, guide, and listen to them. She enjoys being actively involved in providing a good education for students.

Ms. Sheng, an avid sports person, is active in skiing, tennis, and biking. She is fluent in several languages. She is well traveled, having criss-crossed Europe by rail, car, and plane. Although she was able to keep it quiet, Helen is also a gourmet cook specializing in Chinese stir fry.
