ABOUT BRITTANY

Brittany Zeller-Holland hails from Michigan's Upper Peninsula and much of her spirit stems from an upbringing that embraced nature, creativity and exploration. As the paintbrush behind her business, Two if by Sea Studios, Brittany has been creating surface pattern and product designs for companies all over the world for nearly 20 years!

Her business has grown and evolved alongside her heart with much of her time being dedicated to her two small children, Roald and Townes.

Aspiring to send authentic designs into the universe, Brittany has most recently been relishing in collaboration, wandering wooded trails and wholehearted relationships built among creative communities both in her home state of Michigan and her current residence in North Carolina.
