ABOUT

Heatherlee

Heatherlee Chan grew up painting alongside her artist mother experimenting with different mediums.

Playtime grew into a passion and in 2011, she found her unique creative voice painting in watercolors.

"I feel like my paintings are half me and half something that is otherworldly and magical.

I delight in seeing my paintings come to life on products our partners manufacture: greeting cards, wall art, stationery, fabric, kitchen textiles..."

Heatherlee lives in Southern California with her husband and three children.

When she's not painting, she is playing with her kids, watching time period dramas, or falling asleep reading books.
