## Kendra Shedenhelm

Kendra Shedenhelm is an illustrator and designer living in New York's Hudson Valley. Her work is rooted in a love of printmaking, drawing, and collage, and she often builds collections using hand-drawn elements and layered textures.

Kendra has created licensed artwork for products sold at Target, T.J. Maxx, and HomeGoods, and she also works as a designer for the History Channel. Outside the studio, she's usually walking the backroads, listening to a podcast, or looping Central Park with an audiobook.
