Patty Rybolt is a designer and Illustrator living in Massachusetts. She creates art for products in the studio of her 120 year old home with the help of her studio dog Walter. When not drawing she can be found at a flea market, taking nature photos or watching a Sox game with her husband and two girls.

Inspiration for her work comes from her garden, her love of vintage design and her small town New England roots.

Patty's clients include One Hundred 80°, Prima Designs, KAF Home and Graphique de France.
