Inside caption: **LET'S EAT!**

Patty Rybolt is a designer and Illustrator living in Massachusetts. She creates art for products in the studio of her 120 year old home with the help of her studio dogs Vincent + Norman. When not drawing she can be found at a flea market, taking nature photos or watching a Sox game with her husband and two girls. Inspiration for her work comes from her garden, her love of vintage design and her small town New England roots.
