

A dense, colorful watercolor floral border surrounds the central text. The border features a variety of flowers including large pink and red roses, smaller blue and yellow blossoms, and clusters of tiny pink and yellow flowers. Green leaves are interspersed throughout the floral arrangement. The background within the border is white.

Hello, there!

About Juliet

Artist and surface designer Juliet Meeks' paintings and patterns are nostalgic yet modern, translated onto cheerful product designs to brighten your everyday life.

Her days are spent creating colorful, expressive works in watercolor, acrylics, and gouache. She paints out of her studio, which is tucked inside the 100+ year old New Orleans home she shares with her husband and pets.

She finds the city, her hometown, an endless source of inspiration, from the costumes during Carnival season to the colorful homes and plant life on display year-round.

Her floral and geometric patterns grace a range of products, including stationery, textiles, home decor, and more.
