

The background is a solid red color. Overlaid on this are white, stylized pine branches with needle-like leaves. Interspersed among the branches are small, solid white circles of varying sizes, representing berries or ornaments.

About

Claudia loves the creative process of coming up with design solutions for her clients. Known for her signature florals, festive seasonal patterns, and joyful abstracts, she shifts seamlessly across watercolors, oils, and digital design. Endlessly inspired by nature and her spectacular garden, Claudia adores designing landscapes in her spare time, tinkering in the dirt, and watching her vegetables grow.
