ABOUT

Jaime Reynolds

Jaime Reynolds delights in creating art that brings beauty to everyday life.

A self-taught watercolor artist with an interior design degree from Pratt Institute, she finds joy in a subtle touch of whimsy and has a gift for painting drop-dead gorgeous florals.

Jaime lives with her husband, Clint, and their children, Bowie and Gigi, in a charming 1940s bungalow in Austin, just steps from her studio ~ an arrangement that allows her to balance art, family, and life with effortless grace.
