

Yuan Xu

**BIO**

Yuan Xu is an illustrator and surface designer known for her intricately detailed floral and nature-inspired artwork. Her designs feature lush botanicals, delicate birds, and graceful butterflies, all brought to life with rich colors and flowing compositions. With a style that blends traditional folk art influences with a modern aesthetic, Yuan creates visually captivating patterns and illustrations. Yuan is a sought-after artist for brands looking for elegance, charm, and timeless beauty in their collections.
