ABOUT THE ARTIST

I'm Courtney, an artist, illustrator, and mother. I create warm, delightful illustrations with value-driven messages. Art has always been part of my life but I did not start illustrating until I was on maternity leave with my second son. I just could not stop drawing, and Courtney Beyer Design was created.

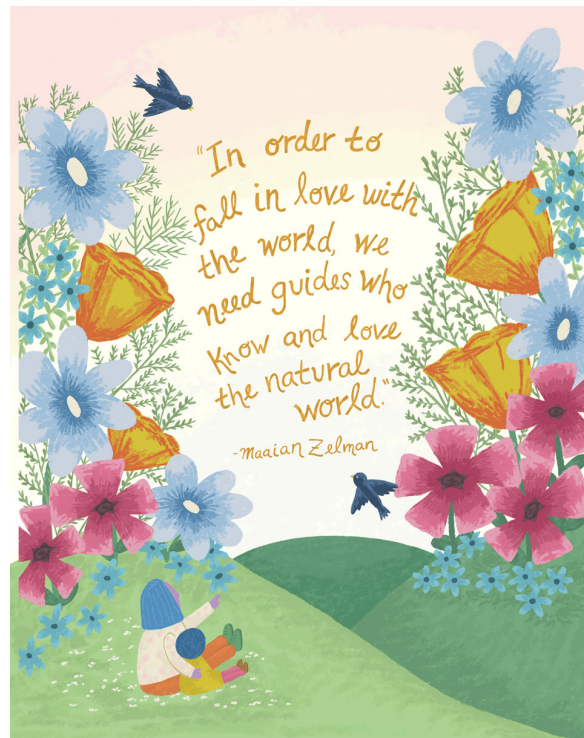

I am focused on using art to bring awareness to the environment, mothering, and community. In this mission, I hope to partner with like-minded business to make the world a more beautiful place. I live with my husband and two young sons in Menlo Park, California.
