

A vibrant collage of watercolor-themed tableware. On the left, a pink and orange diamond-patterned background features the text "Menu watercolor collection". The main area is a warm orange background with several white tablecloths and napkins. The tablecloths include patterns of small brown dots, a purple and white diamond grid, a purple and white checkered border, and a colorful fish pattern. The napkins feature various designs: a food illustration (cup, cake, spoon), a brown coffee bean pattern, a purple and white diamond grid, a colorful vegetable pattern, a colorful fish pattern, a yellow and white sun pattern, and a red octopus pattern. The items are arranged in a dynamic, overlapping fashion.
