

The background of the entire page is a light cream color with a pattern of thin, vertical, multi-colored stripes in shades of blue, green, and yellow. Scattered throughout the page are various botanical illustrations. There are several large, stylized flowers in shades of green and blue, some with detailed centers. Interspersed among these are delicate, thin-lined sketches of flowering branches and smaller blossoms. The overall style is soft and artistic, typical of a book cover or a decorative endpaper.

My friends call me Simo

Hello there!

I'm Simona Fava ("Simo" for friends and family). I'm a graphic designer, surface designer, and illustrator born and raised in Italy. I currently live in Denver, Colorado with my husband, my son, and one rescued cat.

I owned my graphic design studio for over 20 years in Italy. I always enjoyed the universe of the surface design, so I'm thrilled to be part of this colorful universe. I love to give energy, character, and movement to products for the home decor, textile, stationery, and giftware industry.

My signature style combines distinctive and expressive hand-drawn lines, vibrant, bold colors, and sketchy contours with a sophisticated edge.

I draw inspiration from galleries and museums, organic shapes found in nature, and macro photographs.
