

The background is a light green field filled with stylized, overlapping leaves in various shades of blue and teal. Some leaves are dark blue with white veins, while others are lighter blue or teal. In the center, there is a large, white, stylized flower or leaf shape. The overall style is modern and graphic.

My friends call me Simo

Hello there!

I'm Simona Fava ("Simo" for friends and family). I'm a graphic designer, surface designer, and illustrator born and raised in Italy.

I currently live in Denver, Colorado with my husband, my son, and one rescued cat.

I owned my graphic design studio for over 20 years in Italy. I always enjoyed the universe of the surface design, so I'm thrilled to be part of this colorful universe. I love to give energy, character, and movement to products for the home decor, textile, stationery, and giftware industry.

My signature style combines distinctive and expressive hand-drawn lines, vibrant, bold colors, and sketchy contours with a sophisticated edge.

I draw inspiration from galleries and museums, organic shapes found in nature, and macro photographs.
