

The top corners of the image are decorated with stylized floral illustrations. In the top left, there is a cluster of small, five-petaled flowers on a stem with several leaves. In the top right, there is a similar cluster of small flowers on a stem with leaves. In the center, above the title, is a single, larger flower with many thin, radiating petals, resembling a dandelion seed head.

My friends call me Simo

Hello there!

I'm Simona Fava ("Simo" for friends and family). I'm a graphic designer, surface designer, and illustrator born and raised in Italy.

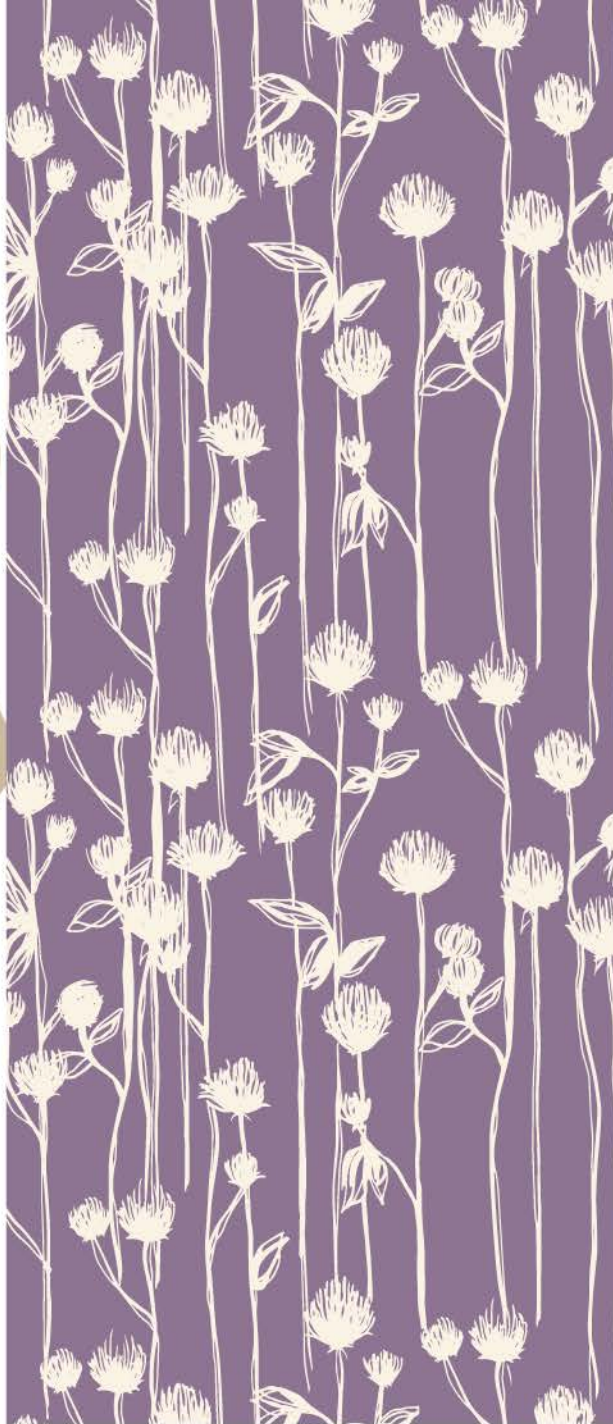

I currently live in Denver, Colorado with my husband, my son, and one rescued cat.

I owned my graphic design studio for over 20 years in Italy. I always enjoyed the universe of the surface design, so I'm thrilled to be part of this colorful universe. I love to give energy, character, and movement to products for the home decor, textile, stationery, and giftware industry. My signature style combines distinctive and expressive hand-drawn lines, vibrant, bold colors, and sketchy contours with a sophisticated edge. I draw inspiration from galleries and museums, organic shapes found in nature, and macro photographs.
