## A LITTLE ABOUT ME

Hello and Welcome to my Winter 2022 Look-book!

I'm Shana, a self-taught illustrator and designer who grew up on a ranch in rural Montana. This is where my art inspiration started and still has a large impact on my creative journey.

I love all things design and exploring all medium types, but currently my real passion lies within digital art and design in surface pattern, illustration, and branding.

*"Creativity is intelligence having fun."*

# *I WOULD LOVE TO WORK WITH YOU!*

I think my warm-hearted style, color palettes, and textures really help bring my art to life and would love to help bring that into your world.

I am available for freelance and licensing work and would love to help you create something amazing!

If you are interested in collaborating or licensing any of my art please reach out to my email at: **hello@shanabrophydesigns.com** with subject line: **Inquiry**.
