

BIRMINGHAM PARKS & REC PLAN

* SPARKING CONNECTIONS

WWW.BHMPARKS2035.COM

WHAT?

Birmingham's Park & Recreation Department is creating a citywide Parks & Recreation Master Plan to guide future investments, improvements, and priorities for parks, trails, greenways, and recreation programs.

Parks and recreation are more than amenities, they help spark connection, play, health, and opportunity across neighborhoods. This plan ensures Birmingham's parks and recreation system reflects the needs of residents today while preparing for the future.

Your input will help shape:

- Where improvements are needed most
- How parks and recreation serve all ages and abilities
- How the city invests equitably across neighborhoods

JOIN US!

BHM Park & Recreation will host six public meetings across the city focused on local parks and community priorities.

- Share what's working and what's not
- Identify gaps in access, safety, and amenities
- Help spark ideas for the future of parks and recreation

MEETINGS @ 6PM

- April 27: Oxmoor Community Center
- April 28: Memorial Park Rec Center
- April 30: Fountain Heights Rec Center
- May 4: Willow Wood Rec Center
- May 5: Hooper City Rec Center
- May 7: Hawkins Rec Center

PLANNING FOR THE FUTURE OF BIRMINGHAM'S PARKS & RECREATION
