## FIRST FEDERAL SAVINGS BANK SUPPORTS PARKVIEW HUNTINGTON YMCA

First Federal Savings Bank is a long-time proud supporter of the Parkview Huntington YMCA. The Bank recently made contributions to the YMCA for improvements in the gymnasium. In addition to new scoreboards, a much-needed new divider curtain was installed. Michael Zahn, President and CEO of First Federal Savings Bank, states, "Our relationship with the Y goes back decades. We appreciate the opportunity to support the Y as they execute their mission to build a healthy spirit, mind, and body for all in our community."

## FIRST FEDERAL'S FUN FRIDAY'S RAISE OVER \$14,000.00!

First Federal takes pride in supporting area non-profits each month through the money that is raised by employees. Each month the bank allows staff members to wear jeans each Friday of the month for a small donation that is given to the non-profit that is chosen by the staff. Since the beginning of this initiative in 2021, First Federal has raised over \$14,000.00 for area non-profit organizations. Not only do staff members contribute, but our customers can as well. In this first quarter of 2024, we supported 5 different non-profit organizations: United with Love of Huntington, Rudy's Dog Park of Warsaw Indiana, Community Harvest Food Bank of Northeast Indiana, Boys and Girls Club of Huntington, and By the Book of Huntington. First Federal is proud to support the communities that we work and live in.

## CHECK FRAUD

Beware of fraudulent checks, a common tool for fraud. For instance, you might receive a fake check in the mail, accompanied by a letter claiming you've won the lottery. They'll ask you to cash the check and wire back a processing fee, leaving you responsible for the worthless check and potential loss of thousands. Scammers may also ask you to allow them to send you a payment in the form of a check or a traveler's check in exchange for promising you a percentage of a sale of goods. In these situations, these checks are fraudulent. Exercise caution in any of these types of situations. If it seems too good to be true, it probably is.
