Legacy Industrial
Heavy Duty Floor Solutions

HypoLuxo™ Cleaner & Degreaser

Product Description

HypoLuxo™ is a smart designed cleaner & degreaser *specifically formulated* for concrete, masonry, pavers, polymer coatings and other types of architectural surfaces. This unique formulation is aggressive yet easier to use while having a minimal impact on the environment due to it's biodegradable design. HypoLuxo™ features a concentrated formulation that will quickly remove dirt, oils, grease, grime and hard set-in stains and is easy to rinse.

Features and Benefits

Biodegradable Formula
Concentrated for greater value to the user
Reduced foaming
Useful as a cleaner for all Legacy Industrial and other popular coatings (test compatibility)

Recommended Applications

HypoLuxo™ is recommended for all interior & exterior surfaces. Especially useful where a high-performing cleaner or degreaser is required such as these facility types; residential, automotive, heavy-equipment, aircraft, chemical storage, water treatment & food/beverage manufacturing

Instructions for Use

Safety:

Always wear appropriate clothing & ppe prior to usage
Ensure proper ventilation during the application
Always fill container with water first, then add HypoLuxo™

Application methods:

When working with heavy soil pouring/spraying the mixed product onto the area is common, work the product with a stiff brush/broom, allow to dwell (without drying) and then flush with clean water. Repeat as many times as is needed. Lighter soiling can be sprayed, allowed to dwell as needed and again cleaned with fresh water. Spraying from a pump sprayer or trigger-sprayer is acceptable. Do not allow the product to dry on the surface.

Useful Cleaning Applications:

- **Automobile & Aviation Facility Floors**
- **Automobile, Aviation Marine Engines and Compartments**
- **Heavy Equipment**
- **Residential Applications**
- **Food & Beverage Manufacturing Facilities**
- **Commercial Food Preparation Areas**
- **Retail Food Service**
- **Institutional Facilities**

Clean-Up

Apply clean water until flushed

Product Removal

Flush with clean water

Precautions and Limitations

Always test this and any cleaner prior to use.
