Drain Maintenance Work Scheduled

Dear Landowner,

Maintenance work is needed and will be done on the drain(s) referenced below. Our records indicate the drain crosses or touches your property. Work will include removing trees and brush from one side of the drain and both sides of the slope of the drain. We will only remove trees that are absolutely necessary for completing our work. It will also include bottoming out the drain to its original depth. The work will be done in the following municipalities:

Antrim Township Sections 21 & 22, between Beard & Bath Roads and Godfrey and Bancroft Roads.

If you have any questions, please contact our office at drains@shiawassee.net or 989-743-2398.

Sincerely,

Shiawassee County Drain Office
