

GREATER LANSING ASSOCIATION OF REALTORS®

RESPONSIBILITIES OF SELLERS UNDER RESIDENTIAL LEAD-BASED PAINT HAZARD
REDUCTION ACT 42 U.S.C. 4852d

Property Address: 588 Joan Drive, Mason, MI. 48854

The disclosure requirements listed below are imposed on Sellers of residential housing prior to 1978.

Sellers must disclose the presence of any lead-based paint hazards actually known to Seller. A Lead-Based Paint Sellers' Disclosure Form for providing such information is on the reverse of this form. This disclosure must be made prior to the Sellers' acceptance of the Purchasers' offer. An offer may not be accepted until after the disclosure requirements are satisfied; and the Purchasers have had an opportunity to review the disclosure language, and to amend their offer, if they wish.

If the Sellers are aware of the presence of lead-based paint and/or lead-based paint hazards in the property being sold, the disclosure must include any information available concerning the known lead-based paint and/or lead-based paint hazard, including the following:

- *The Sellers' basis for determining that lead-based paint and/or lead-based paint hazards exist;
- *The location of the lead-based paint and/or lead-based paint hazards;
- *The condition of the painted surfaces.

If a lead-based paint hazard is not known to the Seller, the disclosure must include a statement disclaiming such knowledge.

The Seller must provide a list of any records and reports available to the Sellers pertaining to lead-based paint and/or lead-based paint hazards, copies of which must be provided to the Purchasers (if no such records or reports exist, the disclosure statement should affirmatively so state.)

Sellers must provide to Purchasers the government mandated Lead Warning Statement contained on the reverse side of this form.

Sellers must provide Purchasers with a copy of the federal pamphlet entitled *Protect Your Family from Lead in Your Home*. Ask your REALTOR® for a copy.

Sellers must permit a Purchaser a ten- (10-) day period (unless the parties mutually agree, in writing, upon a different period of time) to have the property tested for lead-based paint before the Purchasers become obligated under the Buy and Sell Contract.

The undersigned hereby acknowledge that the REALTOR® named below has reviewed with us the *Responsibilities of Sellers Under Residential Lead-Based Paint Hazard Reduction Act*.

NOTICE: Federal law requires Sellers and Agents to retain a copy of this form for at least three years from the completion date of the sale.

Lead Warning Statement

Every Purchaser with any interest in residential real property on which a residential dwelling was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The Seller with any interest in residential real property is required to provide the Buyer with any information on lead-based paint hazards from risk assessments or inspections in the Seller's possession and notify the Buyer of any known lead-based paint hazards. A risk assessment or inspection for possible lead-based paint hazards is recommended prior to purchase.
