United States Department of Agriculture (USDA) Farm Service Agency (FSA) maps are for FSA Program administration only. This map does not represent a legal survey or reflect actual ownership; rather it depicts the information provided directly from the producer and/or National Agricultural Imagery Program (NAIP) imagery. The producer accepts the data 'as is' and assumes all risks associated with its use. USDA-FSA assumes no responsibility for actual or consequential damage incurred as a result of any user's reliance on this data outside FSA Programs. Wetland identifiers do not represent the size, shape, or specific determination of the area. Areas of Concern represent potential wetland violations (CW, CW+Yr, CWNA, CWTE, MIW, MWM, WX) included in the NRCS Certified Wetland Determination dataset. Refer to your original determination (CPA-026 and attached maps) for exact boundaries and determinations or contact USDA Natural Resources Conservation Service (NRCS). \*Tracts in other states will reflect NAIP 2022/2023 NAIP Early Access Production Imagery has gone through an initial quality control process but may not be final.
