

# Pool Finish Aggregates

*Color Guide*

A photograph of a swimming pool with a stone wall on the right side. A large tree is in the background, and a black metal fence is visible behind the pool. The text "quality aggregates for enhanced pool finishes" is overlaid on the image, enclosed in a white circle.

**quality  
aggregates for  
enhanced  
pool finishes**

Torginol® is proud to offer a curated selection of high-quality decorative aggregates designed and engineered to enhance the color and texture of swimming pool finishes.

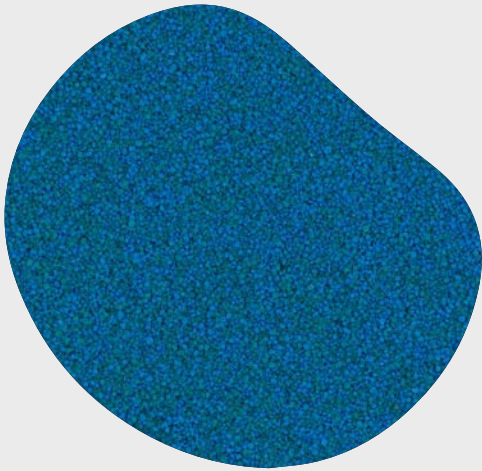

Our core products: **Ceramic Quartz**, **Resin Quartz**, and **Glass Beads** are available in a range of colors and sizes for a truly customizable experience. These products can be incorporated into pool plaster systems to create a variety of water colors, textures, and effects.
