# WORLD CUP

OCTOBER  
12-18

HOSTED BY:

Turnstone

## **A NOTE FROM WORLD PARAVOLLEY:**

---

On behalf of World ParaVolley, the athletes, coaches, supporters, and the global ParaVolley community, I extend a heartfelt welcome and our deepest gratitude to Turnstone for hosting the 2025 World ParaVolley Sitting Volleyball World Cup.

Turnstone, your dedication to sport, accessibility, and community is the gold standard for multi-sport events. From meticulous planning to on-the-ground support, your team has created an environment where athletes can focus on competition, growth, and camaraderie. The facilities, logistics, and hospitality you provide are not just practical components of a tournament; they are a testament to inclusion, excellence, and the unifying power of sport.

To the Turnstone staff and organizers: thank you for your tireless preparation, clear communication, and unwavering hospitality. Your attention to safety, accessibility, and participant comfort has set a benchmark that will inspire future events and strengthen the reach of para volleyball worldwide.

To the teams, officials, and volunteers: your passion, professionalism, and teamwork are the heartbeat of this World Cup. The athletes' courage and determination, supported by fair and expert officiating, will deliver a competition that showcases skill, resilience, and sportsmanship. To the volunteers who greet, assist, translate, coordinate, and lend a hand wherever needed: your generosity and dedication make moments possible that many will remember for a lifetime.

We also extend thanks to the coaches, medical staff, referees, line judges, table officials, and all partners who contribute to a safe, fair, and exhilarating tournament. Your collaboration ensures a world-class event that honors the spirit of parasport and the values of inclusion, teamwork, and perseverance.

As the 2025 World ParaVolley Sitting Volleyball World Cup unfolds, may the competition be fierce, the games be played with integrity, and the friendships formed here endure beyond the final whistle. We look forward to celebrating every victory, learning from every challenge, and continuing to grow ParaVolley globally with Turnstone as a shining example of community, hospitality, and excellence.

With sincere appreciation and best wishes for a successful World Cup,

Juergen Schrapp  
President, World ParaVolley

## **A NOTE FROM TURNSTONE:**

---

On behalf of the Local Organizing Committee, volunteers, and the City of Fort Wayne, Indiana, USA, it is my great pleasure to welcome all participants and guests to the 2025 WPV Sitting ParaVolley World Cup. We are honored to host this prestigious international competition here in Fort Wayne, a city recognized for its hospitality, inclusivity, and commitment to sport.

Turnstone Center, together with our valued partners and community, is excited to welcome teams from around the world to the Plassman Athletic Center. This event will showcase the extraordinary talent, dedication, and determination of athletes competing at the highest level of our sport.

While each player aspires to bring glory to their country, this World Cup also highlights the values of teamwork, perseverance, and sportsmanship. Beyond the competition, we hope this event will foster lifelong friendships, memorable experiences, and a deeper connection to the global sitting volleyball community.

This program guide is designed to help you navigate your time here, whether you are looking for schedules, event details, or general information about Fort Wayne. We also encourage you to stay connected through our official event website and social media channels for updates and highlights throughout the week.

We wish you the very best in your competitive endeavors and hope you find your time in Fort Wayne both rewarding and inspiring. Thank you for joining us as we celebrate the possibilities created through sport.

Best wishes,

**Michael Mushett**  
Chief Executive Officer  
Turnstone Center for Children & Adults with Disabilities

## **A NOTE FROM THE CITY OF FORT WAYNE:**

---

Welcome to participants and guests of the 2025 WPV Sitting ParaVolley World Cup:

As Mayor of this great city and on behalf of the residents of Fort Wayne, I would like to extend a warm welcome to all of the participants and guests who will take part in this important event.

I appreciate the work that's been done by Turnstone, Visit Fort Wayne and all of the organizations and volunteers who have helped make this unique event possible. It's an honor that Fort Wayne has been selected to host these spectacular competitions. Through the efforts and leadership of Turnstone, Fort Wayne has become a point of destination for adaptive sports opportunities.

We're experiencing growth and success in Fort Wayne as a fun, family-friendly, and safe community with an enhanced quality of life for all. In addition, we offer the best in restaurants, hotels, shopping centers, family entertainment, and cultural arts. We're hopeful you'll be able to enjoy some of our unique attractions and amenities. Enjoy your visit and best wishes.

Sincerely,

Sharon Tucker  
Mayor, City of Fort Wayne

## Communication Systems

Global Archery - Official North American Distributor

The AXIWI communication system is a wireless full duplex and handsfree communication system. Six people can simultaneously communicate with each other by the open line connection, just like a telephone conversation. The communication system is used for communication during tours, conferences, meetings, sports and translating simultaneously. We offer the AXIWI in two models: the AXIWI AT-350 and the AXIWI AT-320.

### AXIWI AT-350

### AXIWI AT-320

*"I love my AXIWI®'s. They are so easy to wear, have great sound with excellent clarity with my partner, enabling us to be in sync all the time and provide the best game for the players to showcase their talents."*

*"As a volleyball official, reliable and clear communication with our partners are crucial to our success! AXIWI®'s have been the best radios after comparing multiple ones from other carriers. I like them for so many reasons: ease of pairing, sound quality, durability, and they are just so darn good looking! Their size makes them so easy to travel with and their battery life is long lasting. It has been a pleasure to use these headsets for years. Thanks so much John for making such great radios!"*
