2012-13
ANNUAL REPORT

Tom Davis

Turnstone has been there to help as Army veteran Tom Davis gears up for a spot in the 2016 Paralympic Games.

It was June 3, 2006, and Army Staff Sergeant Tom Davis and his squad were patrolling in their Humvee on the outskirts of Ramadi, Iraq. In a place where death and destruction lurked everywhere, no mission was routine, and thoughts of family, home, and hearth were tucked away.

Tom's home was in the Midwest. He grew up in Reading, Michigan, and earned a bachelor's degree in business management and marketing at Northwood University in Midland, Michigan. However, a 9-to-5 office job just didn't suit Tom.

"I was bouncing around from job to job," Tom says. "I never really cared about those jobs—I never fit in. I was looking for something new."

Tom discovered that something new when he watched a TV special about the elite Army Rangers. Serving his country seemed like a natural for Tom; his father is a Vietnam veteran, and both of his grandfathers served in World War II.

Tom became an infantryman with the 1st Armored Division. He was on his second deployment in Iraq on that fateful night in 2006. It was around midnight when the Humvee rolled over an improvised explosive device (IED). The 5,200-pound vehicle was rendered to shreds. The gunner was killed, and everyone else suffered injuries.

Turnstone CREATING POSSIBILITIES

www.turnstone.org | (260) 483-2100

Tom Davis

Tom's injuries were particularly grievous. His left leg had to be amputated above the knee, his right knee was fractured, both of his arms were broken, several vertebrae were fractured, and he suffered traumatic brain injury.

Tom underwent 16 months of treatment and therapy at the Walter Reed Army Medical Center in Washington, D.C. However, his service wasn't over when he was discharged from the hospital. He was sent to Fort Benning, Georgia, where he became an instructor—teaching new recruits about IEDs.

In 2008, Tom retired from the Army with a 100-percent disability rating. He and his wife, Jamie, and their kids settled in Fremont, Indiana.

Still a warrior, Tom wanted to stay fit. During therapy at Walter Reed, he'd tried out a handcycle, and the Army provided him with one when he was later stationed at Fort Benning. Rather than using their legs, handcyclists use their arms to power their bikes.

"I brought the handcycle I'd received at Fort Benning back with me to Indiana,

but it sat in the shed for three years while I concentrated on weightlifting," Tom says. "Then, one day in 2011, I felt that God was calling me away from weightlifting, and I got the bike out of storage."

Tom began training with the handcycle, slowly but surely increasing his speed and stamina. Handcycles come in a variety of configurations; Tom's is a recumbent tricycle.

Tom's hard work has paid off. He's become a top contender on the national handcycling scene. He's even raced in Spain. Tom trains from 10 to 15 hours a week for the races, which range from 10 to 50 miles.

"Handcycling has been a great way to feed my competitive spirit and stay in shape," Tom says. "And the weightlifting I did before taking up the bike has really paid off, too."

As an official Paralympic sport club, Turnstone has sponsored Tom in his endeavors, providing equipment and funds to travel to events.

"I think Turnstone is wonderful in what they're doing for vets and all people with disabilities," Tom says. "It's a great facility with outstanding people doing a lot for the community. I want to thank Turnstone for making it possible for me to compete in many of these events."

The big event on the horizon for Tom is the 2016 Paralympic Games in Rio de Janeiro. He hopes to land a spot on the U.S. team and again serve his country—this time as a sports ambassador.

"Making the U.S. team is a lofty goal, and will be a lot of hard work. With God's help, it's something I know I can do," Tom says.

Asked if he'd do it all over again—put himself in harm's way in service to his country—Tom is succinct in his reply. "Absolutely," he says. ☀

GETTING BETTER EVERY YEAR

Turnstone turned 70 in 2013. Rather than singing "Happy Birthday," however, I'll just hit the high notes of what we accomplished during the last fiscal year.

In our client-satisfaction survey, 100 percent of clients would recommend our services, and 100 percent of clients were satisfied or very satisfied with services. We earned a new three-year accreditation from CARF (Commission on Accreditation of Rehab Facilities) that included many notes of commendable performance. That's all music to our ears.

One big emphasis has been increasing our offerings for veterans with disabilities. They deserve everything we can do for them. I'm very happy to announce that we now have a contract with the Veterans Administration that allows vets to take part in our Adult Day Services. We've also been able to continue as a partner with the Healthy Minds Healthy Bodies program. This assists injured, ill, or wounded veterans during their transition to civilian life through health, fitness training, and social networking. Veterans are able to use our facilities and programs to become fit and active through adaptive sports and recreation, with the goal to regain and maintain their independence.

We're now the fourth-largest Paralympic sport club in the country, and we continue to increase our adaptive sports and recreation offerings. We've hired a registered nurse to serve as manager of Adult Day Services. This change enabled the former director to devote all her time to growing the adaptive sports and recreation program.

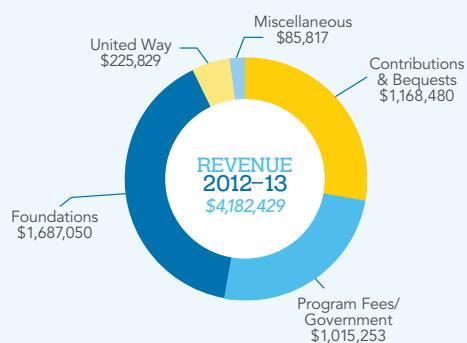

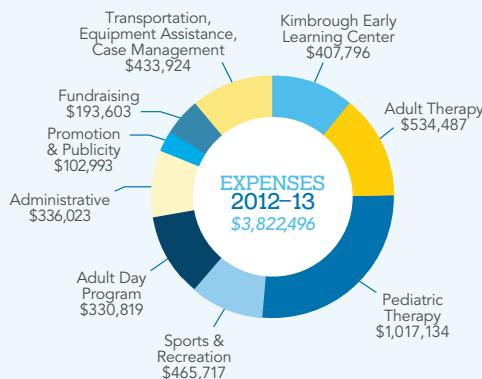

Nancy Louraine

We've filled all our openings to significantly reduce the waiting list for services in the Madge Rothschild Pediatric Therapy Wing. We've also grown the number of interns from local colleges and universities who help us as well as our volunteer base.

I sing our praises humbly because it's taken countless people like you through the years to make us what we are today. We're only as good as you make us. So thank you. Please continue to support our mission to help people with disabilities lead joyful, productive lives.

Nancy J. Louraine

Turnstone's fiscal year is July 1 to June 30. Below is a review of the agency's expenses and revenue for its 2012–2013 fiscal year.

HATS OFF AND THANKS TO ...

The Howard P. Arnold Foundation, the Jim and Sandi Shank Scholarship Fund, and the Lincoln Financial Foundation for gifts made in support of the Kimbrough Early Learning Center.

...

Mr. & Mrs. Dave Bear and Grace Presbyterian Church for supporting Turnstone's residential ramp building program.

...

The English Bonter Mitchell Foundation, the Dunsire Family Foundation, the Foellinger Foundation, the Lutheran Foundation, the Dr. Dane and Mary Louise Miller Foundation, the Fraternal Order of the Eagles 3512, and the Mary Cross Tippmann Foundation for providing core program support.

...

Lutheran Health Network for sponsoring Team Turnstone in Fort4Fitness.

...

The **Fort Wayne Sport Club** for selecting Turnstone to benefit from its kickball tournament.

...

The **Fort Wayne Street Rod Association** for hosting the 39th Annual Muddy River Run. A portion of the proceeds from this event support Turnstone's programs and services.

...

The **Foellinger Foundation** for investing in an upgrade to the agency's technology systems, as well as funding to engage the board in strategic planning.

...

The **AWS Foundation** for the Mighty Mini grant to implement a parent enrichment program. These inaugural workshops will focus on helping parents of children with disabilities decrease challenging behaviors.

...

The **AWS Foundation** and **Executive Management Services** for the generous gift that purchased Strikeforce power wheelchairs for power soccer athletes.

...

The **Jerk League** for donating the proceeds of its annual charity golf outing to Turnstone.

...

Parkview Health for providing the Turnstone staff with a meeting room and delicious lunch for their annual staff-training day.

Carson's of Fort Wayne for supporting Turnstone with proceeds from their opening day.

Beth Stein (left), chief development officer for Turnstone, accepts a check from Michelle Irish, Carson's of Fort Wayne store manager.

The **Tower Bank** for hosting a carnival at Turnstone during the 2013 United Way Day of Caring.

...

The **Charles W. Kuhne Charitable Foundation** for the gift to renovate the aquatic-therapy showers (for increased safety).

...

The **Indiana Youth Institute** for underwriting the cost for the director of the Kimbrough Early Learning Center to attend the Crisis Prevention and Intervention Instructor Certification Program.

...

The **Aon Foundation** and the **Mary C. and Perry F. Spencer Foundation** for their support of the agency's sports and recreation program.

...

The **Carson and Rosemary Noecker Family Foundation**, the **O'Rourke Schof Family Foundation**, the **Edward D. and Ione Auer Foundation**, and the **Owen and Jean Pritchard Foundation** for their support of Turnstone's therapeutic services.

...

The **M.E. Raker Foundation** for the gift that was used to purchase a therapeutic treadmill, aquatic-therapy changing tables, and additional seating for the pediatric waiting room.

...

The **Mary Margaret Stucky Foundation** for the gift to support Turnstone's pediatric therapy and wellness program.

NEWS NOTES

13th Annual Board of Directors Gala

On June 13, Turnstone held its 13th Annual Board of Director's Gala at the Fort Wayne Country Club. This year's gala saw record-breaking attendance, with more than 260 members of the community gathering for this special event. Through the generosity of our guests, sponsors, and supporting foundations, the evening raised more than \$313,000, as well as \$87,500 in matching grants. Bill, Lisa, Brooke, and Billy Kinder presented a touching mission moment. We appreciate their sharing their amazing story with Turnstone and our guests.

Corvette Raffle

On Thursday, October 10, Ed Arnold of Indiana received an unexpected phone call and learned he was the winner of a 1965 Corvette Sting Ray in Turnstone's 10th Annual Corvette Raffle. This year, the raffle raised more than \$132,000. All proceeds will support Turnstone's programs and services. A special thank you to Vera Bradley, Auctions America by RM, Steel Dynamics, FUN 101.7 WLDE, and WANE-TV for their support of the 2013 raffle. Thank you to all who supported and participated in this year's raffle. Look for more information on

our 11th Annual Classic Corvette Raffle to kick off in March 2014!

33rd Annual Golf Outing

It was another successful day on the links during Turnstone's 33rd Annual Golf Outing on September 12 at Autumn Ridge Golf Club. More than 100 golfers played in this year's outing, and along with event sponsors and donors, raised more than \$49,000. Special thanks to Classic Café, Physicians Health Plan, Lincoln Printing, Granite City, and Vera Bradley for their generous in-kind donations. And a huge thank you to the event sponsors, auction donors, players, golf committee, and volunteers for making this year's outing a hit!

Turnstone Cruise-In

August 17 was a perfect day for Turnstone's 3rd Annual Cruise-In. This year, more than 45 cars and motorcycles were showcased during the event. This year's event featured some amazing food from Jumby's Joint food truck. The bake sale and silent auction were also a hit. Thank you to everyone who came out during the Cruise-In, especially to our bakers, volunteers, and planning committee.

WHAT WE DO

Lloyd

Jaysha

Turnstone's mission is to provide therapeutic, educational, wellness, and recreational programs to empower people with disabilities. As the only not-for-profit organization in northeast Indiana that provides a full range of rehabilitative, educational, wellness, athletic, and recreational programs and facilities to persons with physical disabilities and their families, Turnstone is creating possibilities. Following is a brief description of Turnstone's programs and services and the outcomes achieved by our clients, members, and their families.

KIMBROUGH EARLY LEARNING CENTER

The Dr. Robert Kimbrough Early Learning Center (KELC) is a full-day child-care, preschool, and before- and after-school care program that takes into consideration the unique physical, developmental, and social needs of children of all abilities. Each program is inclusive, utilizes the HighScope Curriculum and provides a safe, accessible, child-centered environment.

Facts & Figures

- **4,749** hours of preschool were provided for **48** children.
- **21,848** hours of child care were provided for **25** children, while another **25** children benefited from **6,499** hours of before- and after-school care.

From a parent: "My child has been attending Turnstone's preschool for only six months, but we've seen such a leap in his skills that has just blown us away."

He's talking more, is more attentive to tasks, more social, and he's trying to do many more things for himself around the house. His face absolutely lights up when we tell him it's time for school! We love opening his backpack and seeing what he's been working on and what he achieved each week."

SPORTS AND RECREATION

A designated Paralympic sport club since 2009, Turnstone offers numerous sports and leisure activities for children and adults with physical disabilities. Currently, Turnstone's Flyers make up three wheelchair basketball teams, two power soccer teams, two sled hockey teams, and two bocce teams. Other activities offered include rowing, wheelchair tennis, archery, and much more.

Facts & Figures

- **10,300** hours of adaptive sports and recreation programming were provided for **165** children and adults.

From the parent of a Turnstone athlete: "Turnstone has meant the world to both of us! The sports program gives my son some time with his peers, while I'm able to network with other parents and staff."

THERAPEUTIC SERVICES

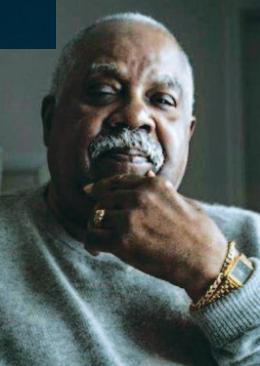

In April 2012, Turnstone celebrated the opening of the Madge Rothschild Pediatric Therapy Wing. This \$1.2 million, 10,000-square-foot expansion has provided Turnstone with the needed space to treat more children. The space is also a fun, yet therapeutic environment for children to explore the world around them. The expansion includes a Snoezelen room, swing room, climbing wall, treehouse structure, and more.

Turnstone provides speech, physical, occupational, and aquatic therapy to children and adults of all ages on a sliding-fee scale based on income. No one is turned away for inability to pay. Turnstone therapists use a multidisciplinary approach and work with one another, as well as other program staff, when creating an individual plan of care for their clients. While the therapy discipline may differ, the ultimate goal remains the same—empowering children and adults and helping them maximize their independence.

Facts & Figures

- **10,595** hours of therapy services were provided for **508** children.
- **1,025** hours of therapy services were provided for **106** adults.

From a parent: "I'm so happy that my doctor recommended Turnstone for my daughter's therapy needs. She's getting a great head start!"

Don

Kiersten

Yeri

ADULT DAY SERVICES

Turnstone's Adult Day Services (ADS) is the only program in the region that meets the unique needs of adults with physical disabilities. The program recently received a contract from the Veterans Administration to provide adult day programming for veterans with disabilities. This program is also accredited by the Commission on Accreditation of Rehabilitation Facilities. Adult Day Services activities are designed to increase independence and socialization, while offering respite for the family.

Facts & Figures

- **27,294** hours of Adult Day Services were provided for **111** adults with physical disabilities.

From a client: "The Turnstone staff is courteous, respectful, and attentive to my needs."

EQUIPMENT LOAN

Turnstone accepts and lends gently used equipment to individuals who don't have the financial means to purchase it themselves. There is no fee to borrow equipment, and when it is no longer needed, it can be returned to Turnstone so that someone else in need may borrow it. Equipment available for loan includes walkers, wheelchairs, crutches, portable commodes, shower seats, and more.

Facts & Figures

- **255** pieces of adaptive equipment were loaned to **217** families.

- **6,065** one-way trips were subsidized on behalf of **69** individuals.

CASE MANAGEMENT

Turnstone's licensed social workers are the first point of contact for people interested in receiving services. Our social workers go above and beyond in their efforts on behalf of individuals with disabilities and their families, providing referrals and support to help clients access agency services, as well as referral to other community resources to help them achieve a greater level of self-sufficiency.

Facts & Figures

- **4,299** hours of case management were provided for **1,169** families.
- More than **300** calls regarding programs and services were fielded by social workers.

From a client: "I was gone for about a year and am very happy to be back at Turnstone. I have a case manager who is very caring and tries her best to help me anyway she can."

HEALTH & WELLNESS

Turnstone's warm-water therapeutic pool and fitness program form the agency's Health and Wellness Center. This program complements the therapeutic services offered by the agency. Turnstone's warm-water therapeutic pool is equipped with a hydraulic lift and is accessible for people who use wheelchairs. The fitness program is complete with 27 pieces of adaptive strength-training and exercise equipment.

Several specialty programs, such as the Parkinson's Exercise Group and Adaptive Yoga Class, are also available through the center.

Facts & Figures

- **97** children received **980** hours of health and wellness or aquatic programming.
- **425** adults received **15,282** hours of health and wellness or aquatic programming.

From a member: "I'm consistently impressed with the compassion, caring, and attention that the staff shows to the clients in fitness. I'm encouraged and challenged to be better and do what I 'think' I can't."

RESIDENTIAL RAMP BUILDING

For more than two decades, Turnstone has helped increase accessibility for Allen County residents through a residential ramp building service. Each year, community volunteers dedicate countless hours of their time to design, plan, and construct wooden ramps to restore the independence of people with physical disabilities.

Facts & Figures

- **30** residential ramps were constructed by community volunteers.

MEMORIALS & HONORARIUMS

Ensure your legacy with Turnstone

In 2005, Turnstone created the Legacy Society to honor and recognize those thoughtful and generous individuals who have provided for Turnstone's future in their wills, trusts, or other estate plans. Today, more than 45 individuals have become members of the Legacy Society because they recognize that investing in Turnstone yields dividends beyond measure.

A planned gift is the most meaningful and lasting charitable gift you can make. Through an estate gift to Turnstone, you'll be creating your legacy and ensuring that Turnstone can continue to provide the highest quality of care in the future for people with disabilities and their families. For more information, contact Executive Director Nancy Louraine at nancy@turnstone.org or (260) 483-2100.
