FALL 2017 | ANNUAL REPORT

Carol Moore enjoys morning social time in Turnstone's Adult Day Services program before she jumps into the day's activities.

## ADULT DAY SERVICES GIVE CLIENTS A REASON TO SMILE

**C**arol Moore is a regular on the Turnstone scene. She comes here to swim, socialize, dine and play. Carol is a client of our Adult Day Services program, a fun and enriching series that's bustling with activity!

Carol is an older American who suffered a stroke nearly three decades ago. She joined Turnstone's Adult Day Services (ADS) program in 2014. Carol's daughter learned of the program and encouraged her to get involved. Since then, Carol has built a network of friends and looks forward to her days with us.

"The fellowship is what means the most to me," said Carol.

Turnstone's ADS program has a rich history dating back to 1977. Our compassionate staff work with ADS clients to make the most of each day, and to provide our clients and their caregivers with a source of enjoyment and renewal. Carol makes the most of our daily programming, "I've been going for three years and know the staff well. It's activities, activities, activities all day long."

CAROL MOORE

The aging population, and those who care for them, often face difficult choices. Turnstone’s Adult Day Services offers a positive choice, adding value to the lives of our clients and giving respite to their caregivers. Our ADS and ADS Memory Care programs served 130 unique clients in 2017, and we anticipate increased demand for day services over the next several years.

Carol is especially fond of swimming in the warm water therapeutic pool and often spends time at our fitness facilities. Carol’s advice to anyone eligible for the ADS Program? “Join!” 🌸

*Thanks to the generous support of Turnstone’s donors and sponsors, a sliding-fee scale is available for those who qualify based on income.*

A LETTER FROM MICHAEL MUSHETT

# WATCH US GROW

Turnstone’s 2016-17 fiscal year ended in June, and what a year it was! The word that comes to the top of my mind to describe this year is “growth.” We served nearly 3,400 unique clients in our programs. This total reflects an increase of almost 800 clients from the previous year. One program which saw growth is Turnstone’s Adult Day Services (ADS) and ADS Memory Care programs, which are now running at near capacity. Sandy Holland and her ADS team, supported by Tina Acosta and Kenna Davis of our Outreach Team and Kathy Baer and the Social Services team, are doing a terrific job in the outreach, processing and engagement of individuals in our community. Additionally, we experienced a significant expansion in our Volunteer Program, led by Beth Moody. The Development Team, led by Rena Burden with support from our Board of Directors, hit our fundraising goal highlighted by a \$1,000,000 multi-year gift from the AWS Foundation.

Featured in this “Annual Report” edition of *Empower*, we kick off the fiscal year with a feature story on one of our ADS clients, Carol Moore. Carol is as upbeat and positive as anyone I’ve ever met. She epitomizes the “can do” attitude of Turnstone clients and staff.

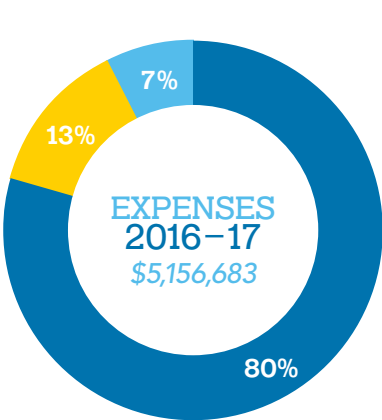

Looking ahead—2018 will be another exciting year for the Turnstone family. We’re already making plans for our 75th anniversary celebration. We’re excited to host the 2018 Adaptive Sports USA Junior Nationals, a premier multi-sport competition for young athletes with disabilities in the United States. Finally, we’re projecting even more growth in the number of clients served in our current year.

The engine that makes Turnstone run is you. Whether you are a client, staff, board member, caregiver, volunteer, donor or friend, you provide the valuable fuel that empowers Team Turnstone. Thank you for being a teammate, and thank you for your continued support.

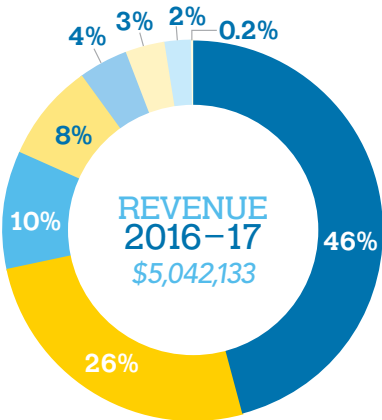

Sincerely,

Michael Mushett, CEO
