Available in Slipper, Chromite, Cloud and Powder

ESTD. 1978

W A T E R W O R K S

THE COLLECTION: Gramercy

Expertly loomed in Portugal, Gramercy towels combine two distinct weaves of 100% organic cotton terry — a structured plain weave alongside a three-dimensional pile weave with soft, absorbent loops. A thick dobby detail adds subtle sophistication, creating an exquisite texture that's both durable and refined to the touch.

FEATURES

- 30" x 52"
- Woven from Organic cotton
- The towel features a practical hanging loop which makes drying and storage much easier
- Care and Cleaning: Machine wash warm on gentle cycle. Do not use bleach or softeners. Softeners leave a chemical coating that decrease absorbency. Tumble dry low. Low iron. Do not dry clean. Wash prior to use. Machine wash warm on gentle cycle. Do not use bleach or softeners. Softeners leave a chemical coating that decreases absorbency. Tumble dry low
- Made in Portugal
