

Privacy Policy

Last updated: 26th July, 2023

This Privacy Policy describes how your personal information is collected, used, and shared when you use the KAOS Sniper software ("Software") provided by ULIX Limited, a company incorporated in England and Wales with registered number 13914299 whose registered office is at 37-38 Long Acre, London, United Kingdom, WC2E 9JT.

ULIX Limited is committed to protecting your privacy and ensuring that your personal information is handled in a safe and responsible way.

Data we collect

As part of providing you the Software, we collect the following data:

Email Address: To provide access to the Software and to communicate with you.

License Key: To authenticate your access to the Software.

We do not collect any cookies or similar tracking technologies.

How we use your personal information

We use the data that we collect generally to provide access to and improve the Software, including:

Authenticating your access to the Software

Communicating with you about the Software

Detecting and preventing fraudulent transactions and other illegal activities

We may also use your data to comply with applicable laws and regulations.

Third-Party Services

Our Software integrates with Whop and Stripe to process payments. When you make a payment, you will be providing your payment information directly to Stripe. We do not store your payment information. The collection and use of your information by Stripe is subject to their privacy policy and terms.

Data Security

We are committed to ensuring the security of your data. We implement a variety of security measures to help keep your information secure. However, no system can be completely secure, and we cannot guarantee that unauthorized access, hacking, data loss or a data breach will not occur.

Changes to this Privacy Policy

We may update this Privacy Policy from time to time in order to reflect changes to our practices, operational changes, or for legal or regulatory reasons. Any changes we make will be posted on this page.

Jurisdiction and Governing Law

This Privacy Policy and any dispute or claim arising out of or in connection with it or its subject matter or formation (including non-contractual disputes or claims) shall be governed by and construed in accordance with the laws of the United Kingdom. Any dispute or claim arising out of or in connection with this Privacy Policy will be subject to the non-exclusive jurisdiction of the courts of the United Kingdom.
