

Mr. Investr, Investr Trades Inc, Ali and anyone associated with this website, pride's itself in being able to put in their hard work and endless hours, providing content, videos, help, and support to each and every member of the community. The amount of work that goes on behind the scene to education and teaches every member of the community is endless and Mr. Investr does it through the kindness of his own heart.

We offer a service that is available immediately after purchase. Therefore, the customer can benefit from the purchase almost immediately following the payment. Because of this, we do not offer refunds to our customers.

Customers need to reach out to support via E-Mail, Twitter, or Instagram in order to ask questions prior to purchasing a service or membership to our website in order to fully understand what they are purchasing and to avoid any confusion. Customers understand that by purchasing any of our services they agree that the service does not offer any refunds what's so ever.
