

Terms of Service

Disclaimer: ancient warrior's discord is an educational and informational service; it is not an investment adviser. All statements, whether expressed verbally or in writing, are the opinions of ancient warrior's discord, its instructors and/or employees, and are not to be construed as recommendations for purchasing or selling any securities nor an offer to buy or sell securities. ancient warrior's discord is not registered as a securities broker-dealer or as an investment adviser either with the U.S. Securities and Exchange Commission or with any state securities regulatory authority and do not attempt or intend to influence the purchase or sale of any security. This applies to the educational material provided at the ancient warrior's discord, YouTube Videos & tiktok or any ancient warrior social media sites, and all other authorized satellite and 3rd party sites where ancient warrior's discord educational materials are displayed. Examples presented are for information purposes only. There is significant risk involved with trading financial assets and derivatives. Due diligence is imperative prior to investing in any issue. Past results are not necessarily indicative of future results, simulated or live. Students/subscribers/members are responsible for making their own choices and decisions regarding all purchases or sales of stocks or issues. No Misrepresentations; Accuracy and Completeness of Statements We believe all statements, representations and information presented is correct when presented. However, we cannot and do not assess, verify or guarantee the adequacy, accuracy or completeness of any information, the suitability or profitability of any particular investment, or the potential value of any investment or informational source. The information contained in is for general information purposes only. The information is provided by ancient warrior's discord, and while we aim to keep the information up to date and correct, we make no representations or warranties of any kind, express or implied, about the completeness, accuracy, reliability, suitability or availability with respect to 1 the website or the information, products, services, or related graphics contained on the website for any purpose. No Reliance; No Investment Advice Our content is intended to be used and must be used for informational purposes only. It is very important to do your own analysis before making any investment based on your own personal circumstances. You bear responsibility for your own investment research and decisions, and should seek the advice of a qualified securities professional before making any investment. Before selling or buying any stock or other investment you should consult with a qualified broker or other financial professional to verify pricing information. Any reliance you place on such information is therefore strictly at your own risk. Disclaimer of Liability for Damages ancient warrior accepts no liability whatsoever for any direct or consequential damages/loss arising from any use of information from the Service. No information from ancient warrior's discord is intended as securities brokerage, investment, tax, accounting or legal advice, as an offer or solicitation of an offer to sell or buy, or as an endorsement, recommendation or sponsorship of any company, security, or fund. ancient warrior's discord recommends that persons desiring to trade or invest in securities do so cautiously and in consultation with their qualified financial, legal, and tax advisers. Conflict Disclosure ancient warrior's discord reserves the right, for its officers, directors, shareholders, members, and agents as well as itself, to buy and/or sell securities mentioned on this web site. We are active traders and may — but need not — buy or sell any of these securities at any time and without notice. Our buying and selling of any of these securities may influence their market prices. General Investment Warnings We would like to draw your attention to the following important investment warnings: Past Performance is not indicative of future results. The value of shares and investments and the income derived from them can go down as well as up. Investors may not get back the amount they .invested – losing one's shirt is a real risk
