

REFUND POLICY

Please be aware of the following refund policy before subscribing:

1. **Non-Refundable Payments:** All payments for our monthly subscription are non-refundable. Once the monthly fee is processed, no refunds will be provided. This policy applies regardless of the extent of service utilization, and users are encouraged to carefully assess our offerings before committing to a subscription.
2. **Cancellation and Termination:** Users have the flexibility to cancel their subscription at any time, and the cancellation will take effect at the end of the current billing cycle. However, no refunds will be issued for the remaining days of the current billing cycle after the cancellation has been initiated.
3. **Exceptional Circumstances:** In exceptional cases, such as technical issues on our end that significantly impact the user experience, we may, at our discretion, consider partial refunds or alternative compensation. Such considerations will be made on a case-by-case basis.

By subscribing to our online trading education service, you acknowledge and agree to abide by this refund policy. We reserve the right to update or modify this policy at any time, and users are responsible for reviewing it periodically for changes.
