

Non-Refund Policy

This Non-Refund Policy ("Policy") outlines the terms and conditions regarding refunds for the trading indicators ("Indicators") sold by The Pack Trading LLC ("Seller") on the Whop marketplace. By purchasing and using the Indicators, the buyer ("Buyer") agrees to the following non-refund terms:

1. No Refunds Under Any Circumstances:

The Pack Trading LLC maintains a strict no-refund policy. Regardless of the circumstances, once the purchase of the Indicators is made, it is considered final, and no refunds will be issued.

2. Acknowledgment of No Guarantee:

Buyer acknowledges that the performance of the Indicators is subject to market conditions, and The Pack Trading LLC does not guarantee specific outcomes. As such, the lack of a refund policy is explicitly communicated to underscore the uncertainties inherent in trading activities.

3. Responsibility for Evaluation:

It is the responsibility of the Buyer to thoroughly evaluate the suitability of the Indicators for their needs before making a purchase. The Seller encourages potential Buyers to ask any questions or seek clarifications before completing the purchase.

4. No Warranty or Assurance:

The absence of a refund policy should not be interpreted as a warranty or assurance of the Indicators' performance. The nature of financial markets involves risks, and Buyers should be aware of and accept these risks before making a purchase.

5. No Refund for Technical Issues:

In the event of technical issues or difficulties experienced by the Buyer in using the Indicators, The Pack Trading LLC will make reasonable efforts to provide assistance. However, these issues do not warrant a refund.

6. Non-Transferability of License:

The license to use the Indicators is non-transferable. The lack of eligibility for a refund extends to any subsequent transferee or party to whom the Buyer may transfer the Indicators.

7. No Refund for Changes in Trading Strategy:

Changes in the Buyer's trading strategy, preferences, or objectives after the purchase do not constitute grounds for a refund. It is the responsibility of the Buyer to ensure compatibility before completing the transaction.

8. Governing Law:

This Policy shall be governed by and construed in accordance with the laws of the jurisdiction in which The Pack Trading LLC is registered.

By purchasing and using the Indicators, the Buyer acknowledges that they have read, understood, and agreed to the terms and conditions outlined in this Non-Refund Policy. If the Buyer does not agree with these terms, they should refrain from purchasing the Indicators.
