

Terms of Service

Last Updated: February 29, 2024

Welcome to Metrix Finance, a product of JakeyC LLC. By accessing or using the Metrix Finance web application at <https://metrix.finance> ("Website") and any related services, content, features, and tools (collectively, "Services"), you agree to be bound by these Terms of Service ("Terms"). These Terms constitute a legal agreement between you and JakeyC LLC, governing your use of Metrix Finance.

Introduction

Metrix Finance is a specialized web application developed by JakeyC LLC to provide users with analytical tools and resources focused on Decentralized Finance (DeFi). It is designed to assist users in evaluating potential returns in Liquidity Pools on Automated Market Makers (AMMs) and other DeFi strategies. The Services offered by Metrix Finance aim to educate and empower users but should not serve as a means of making investment decisions.

Eligibility

By using the Services, you affirm that you are at least 18 years old or have legal parental or guardian consent. You must be fully able and competent to enter into and comply with these Terms.

Account Registration

To access certain Services, you may need to create an account ("Account"). You are responsible for maintaining the confidentiality of your Account information and for all activities that occur under your Account. You agree to immediately notify Metrix Finance of any unauthorized use of your Account.

Services and Fees

Metrix Finance offers both free and paid resources. Fees for paid Services are due upfront and are non-refundable. Prices and availability of Services are subject to change without notice.

Limitation of Liability

JakeyC LLC, operating as Metrix Finance, and its affiliates will not be liable for any losses or damages arising from your use of Metrix Finance. The Services are for educational purposes only and should not be construed as financial advice. You are solely responsible for your investment decisions and outcomes.

Data Protection and Privacy Policy

Your privacy is important to us. Personal information collected through our Services is protected according to our Privacy Policy. We commit to not sharing your data with third parties, except as necessary to provide our services or as required by law.

Confidentiality and Intellectual Property

All materials and information provided through our Services are the property of JakeyC LLC. You agree not to reproduce, distribute, or use the content without our written permission. The confidentiality of the information obtained from our Services must be maintained.

Content Ownership

All content provided through the Website or Services, including articles, research, and materials, is the exclusive property of Metrix Finance and JakeyC LLC. You may not reproduce or distribute any content without express written permission.

Promotions and Contests

Metrix Finance may conduct promotions or contests with specific terms and conditions. Participation in these events means you agree to such terms.

No Guarantee of Results

Metrix Finance provides predictive analytics and estimates based on historical data and market trends to assist users in making informed decisions regarding DeFi investments and strategies.

It is important for users to understand that:

- Predictive Nature: The forecasts, simulations, and estimates generated by Metrix Finance are based on historical market performance and are intended for educational and informational purposes only. These predictions do not guarantee future results or returns.
- Financial Risks: Investing in DeFi and participating in Liquidity Pools involves significant risks, including the potential loss of principal. The performance of financial markets can be highly volatile and unpredictable.
- User Responsibility: Users of Metrix Finance are solely responsible for their investment decisions. We strongly advise conducting your own research, considering your financial situation and risk tolerance, and, if necessary, consulting with a professional financial advisor before making any investment based on the information provided by Metrix Finance.
- Limitation of Liability: JakeyC LLC, offering Metrix Finance, shall not be liable for any losses or damages that may arise from the use of Metrix Finance or reliance on the information it provides, including any decisions made based on such information.

Disclaimer of Warranties

The Website and Services are provided on an "as is" and "as available" basis without warranties of any kind, either express or implied, including but not limited to warranties of merchantability, fitness for a particular purpose, or non-infringement.

Governing Law and Jurisdiction

These Terms shall be governed by the laws of the United States and the State of Texas, without regard to its conflict of law provisions. You agree to submit to the exclusive jurisdiction of the state and federal courts located in Plano, Texas for the resolution of any disputes arising out of or relating to these Terms, the Website, or the Services.

Refunds and Payment Plans

Metrix Finance does not offer refunds for any of its Services, including paid resources, subscription plans, and consulting services. By purchasing a Service or committing to a payment plan, you acknowledge and agree that you are responsible for the full payment of the agreed-upon amount. Failure to adhere to the payment terms of a payment plan may result in termination of access to the Services and legal action to recover any outstanding amounts owed. For more information, please view our refund policy.

Consulting Services and Research

Metrix Finance offers consulting services and provides research to clients. However, the research provided is strictly Metrix Finance' and may be inaccurate. Metrix Finance does not warrant the accuracy, reliability, or timeliness of any research or consulting services.

Sharing and Plagiarizing Material

All materials, content, and resources provided to Metrix Finance clients or users are exclusive to them and must not be shared with others or reproduced in any form. Unauthorized sharing or distribution of Metrix Finance proprietary material is strictly prohibited. Copying resources and claiming them as your own is also prohibited and constitutes a violation of these Terms. Violations may result in termination of access to the Services, legal action, and any other remedies available under applicable law.

Web Applications and Tools

Metrix Finance is a comprehensive analytical tool that aids in the evaluation and management of DeFi investments, particularly focusing on Liquidity Pools and Automated Market Makers (AMMs). Metrix Finance leverages historical data and advanced algorithms to provide users with:

- Predictive Analytics: Estimates on potential returns and risks associated with various liquidity pools, helping users easily view data.
- Simulation Tools: Ability to simulate different investment scenarios to understand potential outcomes based on historical trends.
- Market Insights: Access to analytics and metrics on DeFi markets, offering a deeper understanding of market dynamics.
- Investment Tracking: Tools for users to track their DeFi investments and monitor performance over time.

Limitations and Responsibilities

While Metrix Finance aims to provide accurate and useful information, users should be aware of the following:

- Historical Data: Predictions and analytics are based on historical data and do not guarantee future performance. Market conditions can change, impacting the accuracy of the provided estimates.
- Educational Purpose: The information and tools offered by Metrix Finance are intended for educational purposes only. Users should not solely rely on this information for making investment decisions.

- User Discretion: It is crucial for users to conduct their own research and, if necessary, consult with a financial advisor before making investment decisions based on information from Metrix Finance.

Use of Metrix Finance

To maximize the benefits of Metrix Finance, users are encouraged to:

- Explore and Learn: Familiarize yourself with the dashboard and available tools. Metrix Finance offers tutorials and guides to help you understand how to utilize the platform effectively.
- Conduct Simulations: Use the simulation tools to explore potential investment outcomes. These simulations can help you grasp the impact of different market conditions on your investments.
- Monitor the Market: Regularly check the market insights provided by Metrix Finance to stay informed about the latest trends and developments in the DeFi space.
- Track Your Investments: Utilize the investment tracking feature to keep a close eye on your portfolio's performance, helping you make timely decisions.

Changes to Terms of Service

Metrix Finance reserves the right to modify these Terms at any time. Changes will become effective immediately upon posting on the Website. Your continued use of the Services after changes constitutes your acceptance of the new Terms.

Termination

Metrix Finance may terminate your access to the Services at any time, with or without cause. Upon termination, you must cease all use of the Services.
