

Thank you for choosing Yes Yes Yes Family for your marketing and coaching needs. We provide exceptional services designed to help you achieve your goals. To ensure clarity regarding our payment terms, please review our no refund policy below:

No Refunds

All sales for our marketing and coaching program are final; therefore, we do not offer refunds. This policy is in place because our program involves a significant investment of time, resources, and preparation by our team to tailor coaching services specifically for you. Given the personalized nature of the service, once the program begins, we cannot allow for refunds.

Store Credit Option

While we do not provide refunds, we do offer the option of store credit. This means that you can use the value of your initial purchase toward future services or programs provided by Yes Yes Yes Family. We want to ensure that you have the flexibility to make the most out of your investment in our coaching and marketing expertise.

How to Request Store Credit

If you would like to receive store credit, please reach out to our customer service team before starting your program. Our team will assist you in applying your store credit toward any future services that fit your business needs.

Commitment to Your Success

We are committed to your success and are here to support you throughout your marketing and coaching journey. If you have any concerns regarding your program, please do not hesitate to contact us, and we will work to address them effectively.
