

REFUND POLICY

Effective Date: [01/01/2025]

Thank you for subscribing to the “Digest”, “Traders Club”, “Crypto Club”, “Dragons Club” or any service provided by Tradyom including but not limited to our online trading course. Please read our refund policy carefully.

No Refund Policy

Due to the nature of our service, we maintain a **strict no-refund policy**. Upon subscribing, users immediately gain access to proprietary and confidential educational materials. Because this information is provided at the time of enrollment, we **do not offer refunds, cancellations, or exchanges** under any circumstances.

Confidential and Proprietary Content

Our trading course includes exclusive educational content, strategies, and resources that are **strictly confidential**. By subscribing, you acknowledge that you are receiving proprietary knowledge, which cannot be returned or revoked. Given the nature of digital content, refunding a purchase would compromise the exclusivity and confidentiality of the information shared.

Educational Purposes Only

All materials, lessons, and insights shared through our course are for **educational purposes only**. We do **not** provide financial, investment, or trading advice. Nothing in our content should be interpreted as an incentive, recommendation, or solicitation to trade or invest in financial markets. Any decisions you make based on the content provided are solely your responsibility.

Acknowledgment and Agreement

By purchasing and subscribing to our services, you confirm that you have read, understood, and agreed to this refund policy. You acknowledge that you will not be eligible for any refunds once access has been granted to our educational materials.

If you have any questions regarding this policy, feel free to contact our support team at [hello@tradyom.com].
