

TERMS OF SERVICE

Effective Date: [01/01/25]

Thank you for subscribing to Tradyom services. Please read these Terms of Service carefully.

Acceptance of Terms

By subscribing to our services, you agree to be bound by these Terms of Service. If you do not agree with any part of these terms, you must refrain from accessing or using our services.

No Sharing or Redistribution

All content, materials, and information provided in this product are **strictly confidential and proprietary**. Users are **expressly prohibited** from sharing, distributing, reproducing, or transmitting any products materials, whether for **commercial or non-commercial purposes**. Any violation of this provision may result in immediate termination of access without refund, and legal action may be pursued.

No Refund Policy

Due to the nature of our service, we maintain a **strict no-refund policy**. Upon subscribing, users immediately gain access to proprietary and confidential educational materials. Because this information is provided at the time of enrollment, we **do not offer refunds, cancellations, or exchanges** under any circumstances.

Confidential and Proprietary Content

Our trading products includes exclusive educational content, strategies, and resources that are **strictly confidential**. By subscribing, you acknowledge that you are receiving proprietary knowledge, which cannot be returned or revoked. Given the nature of digital content, refunding a purchase would compromise the exclusivity and confidentiality of the information shared.

Educational Purposes Only

All materials, lessons, and insights shared through our products are for **educational purposes only**. We do **not** provide financial, investment, or trading advice. Nothing in our content should be interpreted as an incentive, recommendation, or solicitation to trade or invest in financial markets. Any decisions you make based on the content provided are solely your responsibility.

Termination of Access

We reserve the right to terminate or suspend access to our products for users who violate these terms, including but not limited to sharing materials, engaging in prohibited activities, or misusing products content. Such termination may occur without prior notice and without any entitlement to a refund. We reserve the right to remove the user from any group chat, should we assess that they constitute a threat to the coherence of the group. We also reserve the right to remove any user from any chat should they be sharing any prohibited content or hinting to it. User could keep access to content without access to chat groups and based on our terms, this would be considered as the full service to be provided. Any chat group is an extra service we provide and is not part of the service user pays for.

Acknowledgment and Agreement

By purchasing and subscribing to our products, you confirm that you have read, understood, and agreed to these Terms of Service. You acknowledge that you will not be eligible for any refunds once access has been granted to our educational materials and that you are prohibited from sharing any products content.

If you have any questions regarding these terms, feel free to contact our support team at [help@tradyom.com].
